Tomorrow, Thursday, and Following Days of the Week,
Early Spring Exposition of
Dainty China, Rich Cut Glass,
Artistic Lamps and
Modern Housefurnishings.

Quality is the primary consideration in the selection of our stocks. Probably no other classes of merchandise offer such opportunities for the substitution of inferior grades for the better, and yet charging the same price. And it's only the wear and tear resultant from daily use that reveals the difference.

We buy none but standard, first-quality, best-wearing, up-to-date goods in these several lines, and we sell them at the lowest possible prices.

Much of the China and Glassware is of our direct importation, and the shapes and decorations peculiar to our stock—therefore exclusive effects are here for those who wish them.

Our great Housefurnishing Store, with its more than 10,000 square feet of selling space, has just been rearranged; goods have been reclassified and increased facilities and betterments are evident everywhere.

Hence it is practically a new store, and is filled with a stock of practical, every-day necessities—every modern device for the lightening of housework and scores of new, helpful articles brought out this season.

Thus splendidly equipped, we announce a more complete and comprehensive assortment of everything needful for the dining room, the bedroom, the kitchen and other parts of the modern home than we have ever offered before, and we invite an early inspection of the stock and direct attention to tomorrow's special sale, at which time we shall offer the newest designs and best qualities at exceptionally low prices.

Our arrangements with the Bissell Carpet Sweeper Co. of Grand Rapids, Michigan, enable us to offer the newest and best Carpet Sweepers at the lowest possible prices.

We give our special attention to the Cross-Bearing Grand Rapids Sweeper, which is the best made and which we sell at \$25.00; and the "Popular" Sweeper, which is just the thing for bed rooms, sewing rooms, etc., where only light work is needed.

We offer another 5 dozen Bissell's "Popular" Carpet Sweepers at \$1.00 each. Sold on a 3 days' trial.
