

Lansburgh & Bro., 420-426 Seventh. Through to Eighth. Christmas Is on the Threshold. Give Heed Now to Your Needs.

WIFTLY approaches the glad season. Already you know your own needs—already you are puzzling over what to give to friends, family and dependents. The longer you delay your shopping the more perplexing will grow the momentous question. Isn't it wise for your own peace of mind to settle the question now? Isn't it wise for your better satisfaction to do your shopping early, and make your selections leisurely and carefully, rather than be hurried into hasty choosing by last-minute throngs? Right under this one roof is already gathered and prominently displayed nearly everything you will need. You have our assurance that lower prices than ours cannot be found on goods of equal quality—that on certain lines, fortunately purchased, you cannot find them as low. Just a few pleasant hours spent in inspecting our magnificent stocks will suggest exactly what you need for yourself and for gift-giving. If you choose the more expensive gifts you may, by making a small deposit, have them laid aside to be paid for in full a day or two before Christmas.
