Nemo corsets, fitted by an expert.

THERE is a whole lot in the way a corset is fitted as to whether it is satisfactory or not. Mme. Johnson knows ALL about corsets—just what kinds are best suited to each woman. She represents the famous "Nemo" Corsets, of which there is a style to suit each figure. Stout women who heretofore have had their corsets made to order will find the Self-reducing Nemo Corset to obviate this necessity. It makes stout women appear smaller and gives them a good shape.
