THE WORLD OF SOCIETY
WASHINGTONIANS MEET AT PARIS HOTELS EN ROUTE HOME.
Another Engagement Just Announced—An Army Bridegroom—Personal Notes.
A congenial Washington party now staying at a Paris hotel, where rich Americans nearly all go nowadays, includes Representative and Mrs. Bourke Cochran, who are still honeymooning, and Mr. and Mrs. Thomas P. Walsh and Miss Evelyn Walsh. Others whose departures from this city happened years ago, but who are still thought of as belonging to us, were the Duchess of Rochefoucauld, formerly Miss Mattie Mitchell, and Lady Herbert, widow of a British ambassador here. The Cochrans and the Walshes have been in the south of France during the cold weather and are expected back in this country before long.
Miss Eleanor Lane, daughter of Major R. H. Lane, of Washington, will be the flower girl and the bride's only attendant at the wedding of Miss Isabella Thoburn Mills, daughter of the Rev. and Mrs. James R. Mills of East Cleveland, Ohio, to the Rev. W. H. McMaster of New York, Wednesday next. After the wedding trip the couple will go to their home in Brooklyn in June. Miss Mills is a niece of Bishop James Miller Thoburn, and the bridegroom is pastor of the Embury Methodist Episcopal Church, New York.

SELLING CHEAPER ABROAD
METHODS OF THE ALLEGED WATCH TRUST.
Facts Laid Before the President and Assistant Attorney General Purdy for Investigation.
Charles A. Keene of New York, president of the Independent Watch Dealers' Association, has had a conference with Assistant Attorney General Purdy of the Department of Justice, concerning an investigation which the department is making into the methods of the so-called watch trust. Mr. Keene presented to Mr. Purdy, he said afterward to newspaper men, considerable evidence concerning the operations of the alleged watch trust. Although he declined to enter into particulars respecting the conference, it is known he asserted that American-made watches could be purchased in various European countries for much less than they could be bought in this country, and that the alleged watch trust sold watches to foreign dealers at a much lower price than they quoted to American dealers. He exhibited American watches which he had purchased abroad for less than he could buy them in this country.

WATCH OFFERED TO THE PRESIDENT.
Mr. Keene also called at the White House and offered to President Roosevelt a watch, with an American movement and American case, which he had bought in England from a dealer who had paid the alleged watch trust \$7.98 for it. The watch, he said, would cost an American dealer \$10.58. The watch was engraved as having been presented to President Roosevelt "as a demonstration of the methods of the American watch trust." The President declined to accept the gift. In the day Mr. Keene sent the watch to the President with a letter, urging him to accept it, and saying: "You will find engraved on this watch, in a few words as possible, indisputable evidence of the watch trust methods, which shows serious discrimination against the American dealer in favor of the foreigner."
Alleged Violation of Law.
In a letter which Mr. Keene left with the President when he offered to him the watch, he said that he could buy American watches in Europe in substantial quantities, "and bring them back to New York and undersell the market. Because of this, the trust is trying to stop my supply in Europe, in a way that I think is a direct violation of the Sherman anti-trust act. I have forwarded several documents to the Department of Justice and trust you will see that the matter is thoroughly investigated. I am for London, England, in the month, where I shall vigorously prosecute the watch trust through the British board of trade. I think I have sufficient evidence to convict the trust of conspiring with English dealers to prohibit my agents from executing my orders for the purchase of American watches in the English market."

LOOKING FOR MISSING MAN.
Yet Located.
Detective Hartigan returned from Frederickburg, Va., yesterday afternoon without having found R. S. Dickson, the hardware merchant, who is charged with having abducted Miss Madeline Dempsey from the home of her sisters in this city, and induced her to go to Winchester, Va., as stated in a dispatch from Frederickburg yesterday, failed to materialize when his case was called by a resident of Frederickburg, who secured himself against possible loss by taking a mortgage on the hardware stock of Dickson. It is stated that the stock is worth about \$8,000, and that Dickson has other interests in the town that are valuable. An attachment was also issued against the stock when the suit of Mr. Dempsey for \$3,000 damages was filed, and the place of business was closed.
Mr. W. J. Dempsey, father of the girl, will devote his time and energies to place his former business associate, Dickson, in the hands of the law officers in this city. He worked day and night for more than a week to find his daughter, and success crowned his efforts. He now thinks he will be able to locate the man whose bond was forfeited yesterday. Where Dickson went when he left Frederickburg Thursday night is not known. He purchased a railroad ticket entitling him to a ride to Richmond, but it is believed that he left the train at Linden and boarded a north-bound express train, coming to this city.
Inspector Boardman said today that he expects Dickson will soon be apprehended. He is well known to Virginia, and Mr. Dempsey has so many friends that some of them are likely to run across him and tell of his whereabouts. Should he not be located during the next week or ten days the police will send out descriptive circulars asking the police of other cities to arrest him.
Mr. Dempsey reached his home in Frederickburg with his daughter last night, and the child was given a hearty welcome here. Mr. Dempsey is expected upon the Dempsey family to extend sympathy and congratulations.

Dr. Horace G. Ogden of Trinity Church, Louisville, has been transferred to the pastorate of the First M. E. Church of James-town. He will be succeeded by the Rev. Dr. Patterson of Worcester, Mass.
