ALLEGE A VIOLATION

UNION LEADERS FILE CHARGE AGAINST STEAMSHIP.

NEW YORK, May 24.—Union leaders in the longshoremen's strike claim to have evidence against one of the steamship companies of a specific violation of the immigration law, and declare that this evidence will be submitted to Immigration Commissioner Watchorn today in the form of an affidavit. It will be charged in the affidavit that the Royal Mail steamship Tagus, which is docked at the Wilson Line pier, on her last voyage from the West Indies brought in thirty men in addition to her regular crew to assist in handling cargo. These men, who were taken on board the Tagus at a Jamaican port, have been used for that purpose since the steamer arrived, the union leaders charge. The affidavit in which these allegations are set forth is said to be the signature not only of the men who developed the evidence, but of six of the men who are alleged to have been brought here to handle cargo.

The strikers also allege that one of the Jamaicans, C. Stone, has been put at work turning the steam which on the dock in violation of the law. They claim that this work requires that the man should have an engineer's license, a compliance to be made today to the office of the boiler inspector, who will be urged to take appropriate action.

May Strike at Halifax. HALIFAX, N. S., May 24.—A strike of more than 1,000 longshoremen employed on the docks in this city will be declared Sunday night unless their demand for an increase of 5 cents an hour in wages is granted. The longshoremen have no organized union, but announce that the decision is unanimous to quit work in the event of their demand being refused.

HYMN SINGERS IN COLOSSEUM.

Convention Delegates Wakened Echoes of Circus With Christian Songs. ROME, May 24.—The fifth international Sunday school convention, which assembled here May 18, closed its session last night after a speech by the Rev. B. B. Terer, of Minnesota. Over a thousand delegates to the convention visited the Colosseum during the afternoon. A most imposing scene was witnessed when the visitors, standing bareheaded, offered up prayers and sang hymns, the crowning point being the recitation of a stirring poem on the Colosseum, written especially for the occasion by W. G. Mathams of the Orkney Islands, who was unable to attend the sessions of the convention.

The following officers were appointed: Vice presidents—The Right Rev. J. C. Hartzel, Bishop of Africa; O. Waters of London, England; Justice J. J. MacLaren of Toronto, Canada; C. W. Fritchiel of Bombay Secretaries—C. Bonner of London, England; W. N. Hartshorn of Boston, Mass. The following are the American members of the executive committee: H. J. Heinz of Pittsburgh, Pa.; F. A. Wells of Chicago, Ill.; B. Raleigh, N. C.; F. L. Brown of New York; D. S. Johnson of Tacoma, Wash., and J. W. Foster of Washington, D. C. No decision was arrived at regarding the place where the next convention is to be held, but it was regarded as likely that it would be in Tokio, in 1910.

ALFONSO'S SON A KNIGHT.

King Invests His heir With Cross of Pelayo. MADRID, May 24.—The traditional ceremony conferring the Cross of Pelayo upon the Prince of the Asturias, the newly born heir to the throne of Spain, took place in the palace yesterday in the presence of the members of the royal family and a gathering of government officials. The baby was invested with the cross by his father, the king.

After this ceremony a delegation from the principality of the Asturias was received at the palace and delivered a gift for the royal baby, consisting of 1,000 golden doubloons equal to \$8,000. Premier Maura and Foreign Minister Salazar were handed over today by a deputation from the court, many of the members of the cabinet, and in reply to their representations promised to try and negotiate more favorable terms governing the investment of cork into the United States, Germany, Russia, etc.

SMITH NOMINATED.

Named Democratic Candidate for Mayor of Frederick. FREDERICK, Md., May 24.—The democratic mayoralty nomination in Frederick held over from Wednesday on account of improperly marked ballots was decided yesterday afternoon in favor of Mayor George Edward Smith, the final vote declared to be official being: Smith, 372; Schell, 306.

The thirty-one ballots in dispute by consent of both candidates were eliminated from the count. Mr. Rosenthal, the election judge who was taken suddenly ill before the ballots in dispute were disposed of Wednesday night, recognized sufficiently to resemble with the other judges yesterday afternoon. When the matter was again taken up, Mr. Stull, the judge representing Mayor Smith, insisted that the accused box could not be reopened, and the vote as it stood with reference to those improperly marked must determine the result.

THE BOWIE MURDER TRIAL.

Birth Has Caused a Postponement of the Case. LA PLATA, Md., May 24.—The trial of Mrs. Mollie Bowie and her son, Henry Bowie, charged with the murder of Herbert Posey, was postponed today, when called before the Charles county court. Miss Priscilla Bowie, the daughter of the accused woman, became a mother Wednesday, and as she is one of the principal witnesses for the defense the attorneys for the Bowies asked that a future date be named for the trial.

Representative Mudd has been retained to assist Adrian Posey as counsel for the defense. Incidentally, Mr. Posey is not related to Herbert Posey, the victim. After the shooting of Posey it was said that the crime had been prompted by Posey's treatment of Miss Priscilla. It was said that he had wronged the young woman and refused to marry her. The shooting occurred in January, but shortly before Thanksgiving, 1906, a marriage license was issued for Herbert Posey and Miss Bowie. Guests assembled Thanksgiving day for the ceremony, but the bridegroom did not appear. Then Miss Bowie told her mother of the state of affairs.

Lulu Glaser Married.

NEW YORK, May 24.—Caught in the spring matrimonial epidemic among stage stars, Miss Lulu Glaser, popular comic opera star and musical comedy favorite, became the bride of Ralph C. Herz, an English actor, yesterday. The wedding took place at the Little Church Around the Corner, the Rev. Dr. Houghton officiating. No invitations were issued, and only the immediate members of Miss Glaser's family were present.

Mr. Herz and the comic opera star first met two years ago, when he played the leading comedy role in "Miss Dolly Dollars," in which Miss Glaser was starring at the Knickerbocker Theater. Mr. Herz made his first appearance in this country as a member of Mrs. Patrick Campbell's company, and was later engaged by Charles Dillingham for Miss Maxine Elliott's support.

Miss Glaser scored her triumph on the stage in "Dolly Dollars," in which she played the role of "Dolly Varden" and "Miss Dolly Dollars." She was once reported engaged to Signor Marchese, inventor of wireless telegraphy. Her latest appearance was in the "Aero Club" at the Criterion Theater this winter.

"TAP DAY" AT YALE.

Juniors "Slapped" for Senior Societies. One Refusal.

NEW HAVEN, May 24.—"Tap day" was observed at Yale yesterday. All the members of the junior class appeared on the campus at about 5 o'clock, and each member of the three senior secret societies threaded his way through the huddled group and slapped some junior on the back in token of an election.

Only one refusal to accept an election occurred, when Thomas Mercer, Marshall of Pittsburg was "slapped" for Wolf's Head and told to "go to his room." He stood still, thereby declining election. He failed in his hope to be afterward chosen to either of the two other senior societies.

Several prominent members of the class of '08 were "slapped" among them Albert Spaulding, the tennis player; Richard M. Bulkeley, son of the United States senator from Connecticut; Charles Templeton Crocker, son of the late California senator; Haskell Noyes of Milwaukee, the basket ball captain; Walter Dray, the probable track captain for next year, and creator of a world's record in the pole vault, and Ellis Knowles, the golfer. The honor of being the last man "tapped" for "Beehive" went to Capt. Lucius Bigelow of the foot ball eleven. The juniors who were elected were: Skull and Bones—Harold Stanley, Great Britain, Mass.; James C. Thornton, Bedford, Ind.; Charles L. Watkins, Scranton, Pa.; Walter G. Davis, Portland, Me.; Charles Seymour, New Haven; James W. Williams, Glastonbury, Conn.; George Dahl, Chicago; Roger P. Shepard, St. Paul; Dwight E. Griswold, Erie, Pa.; James M. Townsend, New York city; Tracy M. Dixon, Denver; George H. Townsend, New Haven; Lester W. Perrin, New Haven; Joseph H. Bigelow, 8d, Brooklyn.

Wall Street Hears He Will Enter Bethlehem Company. NEW YORK, May 24.—Despite all official statements to the contrary, it may be stated on the best authority that William E. Corey's resignation as president of the United States Steel Corporation has already been tendered, and will be accepted at the next quarterly meeting of the board of directors, if it is not acted upon before then.

When the steel king sailed for Europe last week with his actress bride he had practically severed all relations with the corporation, requesting only that his resignation be not announced until he had been abroad for two or three weeks. Corey, president of the Carnegie Steel Company, will be his successor.

CITY OWNS ALL UTILITIES.

Wisconsin Delegation to Ohio Town Gets a Big Surprise. BELLEFONTAINE, Ohio, May 24.—A recent visit of an official committee from Kaukauna, Wis., to this city to study the "municipal ownership" of utilities, the only community in the United States owning all of the public utility plants, has caused the state to send an expert accountant to investigate. The Kaukauna committee went home and reported:

"The plant (electric light) at Bellefontaine, was in such a shape that we had the municipal electric nearly knocked out of us." There is no sewerage system in this city, for not enough money has been saved from operating the municipal plants, though such a system is badly needed.

Seek a Pardon for Eyer.

FREDERICK, Md., May 24.—A petition signed by all the Protestant and Catholic clergy of Emmitsburg and vicinity and by all the faculty of Mount St. Mary's College and hundreds of persons of that vicinity is being prepared to be sent to the Pennsylvania board of pardons for commutation of the death sentence of William Eyer to imprisonment for life. The petition asserts that the mental faculties of Eyer are of such a low order that when under the influence of liquor he would not be responsible for a cold-blooded murder. His youth and family are also mentioned.

The Difference

YOU must credit the "Dorothy Dodd" Shoe with one thing: It charges you nothing for reputation. When you buy a gown stylishly made and faultlessly fitted, you pay a price commensurate with the style and fit and the artist's reputation. So also when you buy millinery and kindred things. But not so when you buy shoes, if you but choose the "DOROTHY DODD." Here at your convenience are shoes of faultless fit, with style of the greatest distinction, and in a variety from which you can choose for any and every occasion. Yet you are sure always of a moderate price—no more than you would have to pay for commonplace shoes. If you are not now wearing the "Dorothy Dodd," may we not ask you to try one pair? Other women have been delighted with the change. So will you be.

DUNKARD NATIONAL MEETING. Recommendation of Committee on Dress Rejected by Delegates.

LOS ANGELES, Cal., May 24.—"We advise our men against the wearing of neckties and fashionable hats, yet we do not see our way clear to make this a test of fellowship. At the same time we urge our members to guard against giving offense, according to Romans 1:19 and 1 Corinthians 10:32-34.

This recommendation made by a standing committee of the Dunkard national conference was rejected by the body of the house yesterday because it was not stringent enough. It is possible that the Dunkards may pass a rule before the close of the session making the wearing of a necktie a bar to membership.

LIFE LOST IN A FIRE.

Blaze of Unknown Origin at Pittsburgh—Narrow Escapes. PITTSBURGH, Pa., May 24.—In a fire of unknown origin, which started early today in a three-story brick building at 1200 Wylie avenue, this city, occupied by a cleaning and dyeing establishment, Fred Rose, colored, aged twenty-one years, lost

his life and a number of others had narrow escapes from a similar fate. Rose, who was employed in the establishment, roomed on the third floor and was dead when the firemen reached him. Several occupants of a lodging place, which adjoined the dyeing establishment, were almost suffocated when rescued and three were painfully burned in trying to reach the street. The property loss will not exceed \$5,000.
