

Ending the May Sale.

This last week of May will witness the best bargain-giving of the month. \$10 for Silk Dresses that were up to \$20 are among the many offerings.

The Palais Royal

Announcements, \$4.69.

The price is only for orders given tomorrow. One hundred wedding announcements from engraved copper plate, each tissue and complete with inside and outside envelopes.

All Reduced.

If the reader will call, critically examine, and be fitted with the Silk Dress, as illustrated, she will be convinced that the mere advertising of a price gives no indication of quality, finish, or fit. Since this and other dresses to be sold at \$10 were intended to retail at very much higher prices we very cheerfully ask visitors to make comparisons before deciding.

Note that the variety at \$10 includes Jumper Suits and Shirt Waist Suits of Safin Foulard and Taffeta Silks, in plain colors, polka dots, pin stripes and checks. Observe that the scarce and wanted shades of browns are well represented. The lace yokes make some of these garments quite fanciful, while those with pipings and buttons are more of the tailor-made order.

To-Order Millinery.

The Palais Royal Milliners, like all true artists, have their best inspirations and produce best results when not fatigued. With Sunday's rest they are at their best on Monday—the time to give your order.

Looking back—last week's opening of the new Summer Millinery has been so favorably commented upon, even by milliners in competition with us, that we need only allude here to the greatest triumphs:

GIBSON HATS PICTURE HATS

NEW MUSHROOM HATS

Summed up, the new hats are very large and feathers are much used as trimmings. Some of the Picture Hats are reproductions of those worn by the beauties of decades ago, handed down in paintings by the old masters. The new "Mushroom" is as unlike the earlier hat as can be. The "Gibson" may be termed the modern Picture Hat. Paris models are here for as much as \$35, but we'll make you equally beautiful hats to order at prices infinitely less. Note the little cost of best-of-best materials:

- Gibson Girl Hats, untrimmed, in white and black; Neapolitan, Tuscan and Milan braid, \$2.00 to... **\$5.00**
- Picture Hats of leghorn, hair, chip and Tuscan; \$1.25, \$1.50 and... **\$2.25**
- Large Mushroom Hats, Milan, chip and hair braid, \$2.50, \$3.00 to... **\$5.00**
- Large Wings, black, white and all the new shades, including sulphur and brown, \$2.00 and... **\$2.50**
- American Beauty Roses, large and small, with foliage. The summer trimming, par excellence, 50c, 75c and... **\$1.00**
- The new Maline Cloth, in black and white; 42 inches wide; yard... **75c**
- Ostrich Feathers, plain and willow styles, in black, white and colors, \$3.50 to... **\$2.00**
- Best Black Silk Velvet Ribbons, for millinery use, 2 1/4 in. wide; usually 45c yard... **35c**

Reduced.

The time has arrived when lots become broken, when sizes are missing in this style and that. In combining these broken lots a great variety is created, and all sizes in one style or another. With the prices reduced, worthy bargains result.

You Know Them.

The Lace and Embroidery Trimmed Waists you have seen here at \$1.39 to \$2.98. Not all reduced; only the broken lots.

- \$2.98 Waists for... \$1.98
- \$1.98 Waists for... \$1.25
- \$1.39 Waists for... 98c

You Know Them.

The White China Silk Waists, some with pleats, some with all-over embroidery fronts. Broken lots as follows:

- \$3.98 Waists for... \$2.98
- \$2.50 Waists for... \$1.98

This Suit, 25c.

It Is Worth 50c.

Two garments in one—and only 25c! See this Union Suit and you'll have to admit it to be good value at 50c. As illustrated; also with tight-knee drawers. Children's also; but their suits have low neck and long sleeves.

Suits at 50c to \$1.98.

The famous "Merode," "Oneita," "Forrest Mills" and "Star" garments. Prices gradually rise from 50c to \$1.98. Note that the "Oneita" Suits were introduced to Washington by the Palais Royal, and that the sole agency for Men's garments is this G street corner.

Vests at 13c and 18c.

The prices generally mean very inferior garments. Will you please examine these vests—and note an exception. Those at 13c are good value at 19c, and those at 18c are generally sold at 25c. Included at 18c are pants to match the vests. Small, medium, large and extra large sizes are here.

Leather Shades in Stockings.

Not a little proud of the stock here—visitors are complimenting the Palais Royal as being the one store where all shades can be found. Very proud of the remark made by a late visitor: "I admire the way you do business, and fully appreciate the moderate charges made for scarce articles in all departments of your establishment."

Three Good Bargain Spots.

- 25c** for Stockings such as usual retail at 35c; of superior grain dye; from cobweb to heavier weights; plain and lace effects; black, with white heels and toes.
- 35c** for usual 50c Stockings, with selvage at back seam; double garter tops and double spliced at would-be weak points.
- 49c** for 75c to \$1 Stockings, the kind that Paris sends, some alarmingly fanciful, but all artistic; materials are best lisle and mercerized silks. Choice for 49c.

These and Other \$1 and \$1.50 Garments, 88c.

All broken lots of \$1, \$1.25 and \$1.50 have been collected, and are to be offered tomorrow at 88c for choice. All sizes in one style or another. See great tables full on first and third floors.

Finally Reduced Prices.

The May sale of Lingerie has been prolific of more than three weeks of gigantic business. Many broken lots have been created, and these are to be thrown on the bargain tables, to create a quick distribution prior to the June sale.

- Lot No. 1, some were \$2.50... **\$1.79**
- Lot No. 2, some were \$2.00... **1.33**
- Lot No. 3, some were \$1.50... **88c**
- Lot No. 4, some were \$1.00... **69c**
- Lot No. 5, some were 75c... **46c**
- Lot No. 6, some were 50c... **33c**

33c

Some Were 50c

Broken lots of Corset Covers, sold until now at 39c to 50c; all sizes—but not in each style. Choice for only 33c.

\$1.29 **\$2.69**

Some Were \$2.25 **Some Were \$6.50**

Best of American Corsets—the makers object to our advertising a reduced price in conjunction with the names of their corsets. We respect their wishes. Reduced to \$1.29—some were \$2.25. The price hint must suffice.

If we could only give the makers of these famous French Corsets. But perhaps it is just as well, because the supply would never equal the demand if names were published. Choice for only \$2.69.

Best 25c Collars, 15c.

There's the genuine and there's the fake collar. The genuine 25c Laundered Collar is all pure linen, the body of which is embroidered; then comes the fagoting, which attaches the hemstitched border to the body of the collar. The fake collar—not worth 15c—has scalloped embroidery edge that sooner or later comes from the laundry like a rag.

\$1.00 Belts, 39c.

Best French Kid, white, black and all colors. Fitted with buckles made especially to order. They have a history—intended for one of New York's retail stores.
