PRESIDENT AND MRS. TAFT DINNER GUEST OF MEYERS. Spanish Minister and Mme. de Riano in White Mountains. Other Notes.

The President and Mrs. Taft were the guests of honor last evening at a dinner given by the Secretary of the Navy and Mrs. Meyer, at their country home, Maple Rock Farm, Hamilton, Mass. Senor Juan de Riano, Spanish minister to the United States, and Mme. de Riano are spending the summer in the White Mountains, where they have finally located at Dixville Notch, N. H., and are enjoying the mountain climbing, which the resort affords. Dixville Notch, with its sharp crags and peaks, is more like Switzerland than any other corner of the granite hills, and the facilities for roughing it are also provided in Camp Millfield, which is ten miles distant in the heart of the virgin forest. Fishing for the famous Lake Giorrette trout in Lake Giorrette, at the gates of the Notch, also provides a unique diversion, and the minister is enjoying the sport of holding the speckled beauties of the finny tribe.
