Our Annual Lace Curtain Sale Will Attract Thousands to Our Fourth Floor

Your Choice of These Lace Curtains, 94c Per Pair—All Perfect and Full Size

Think of only 94c pair for Brussels Effect Lace Curtains, full 3 yards long and 50 inches wide. Many beautiful designs, the ones illustrated being by no means the most artistic. But how can lace curtains worth up to \$2.50 be offered at only 94c a pair? Because the makers introduce new designs each year, and we annually get the balance of their old year stock. Thus—in August—we ask 94c, \$1.79 and \$2.50 for lace curtains that will cost you up to \$5 a pair in September. Different designs then, not more attractive.
