BEAUTIFUL HANDS AND ARMS. A FAMOUS BEAUTY GIVES HER SECRET TO THE WORLD. A Free Prescription You Can Prepare at Your Own Home. Many women take perfect care of their face and clothes, yet neglect their hands. Rough, red hands are almost as unattractive as ill-kept teeth. It is a simple, easy matter to keep your hands smooth and beautiful. The following prescription, which you can compound at your own home, is famous for the marvelous, instantaneous result it gives: Get from your druggist one ounce of Kuhn Compound. Put it in a two-ounce bottle, add quarter of an ounce of witch hazel, fill with water and shake well. You will be surprised at the result when applied to your hands, arms or neck. Blemishes of every kind disappear as if by magic. Freckles, tan, rough skin, coarse pores, yield instantly to this application. This is the private prescription of a famous Parisian beauty.
