This Great Sale of Women's  
**Smart Coats at \$17.50**

Is Indeed the Coat Sensation of the Season--  
 Not a Coat Worth Under \$22.50--Most  
 of Them Are \$29.75 Values

In the sale you are offered practical and serviceable coats that are the last word in style—at a price that is notably low for the quality. We can present this opportunity only because the maker had overestimated his orders and rather than wait to sell them in small lots at regular prices, closed the entire collection to us at our price. His loss is decidedly your gain.

Mill Ends and Seconds  
**"Duofold"**  
**Knit Underwear**

Special **1/2** Price Per  
 Monday Garment

The maker sent this lot to us in recognition of the great business we do annually with him, and we are, indeed, fortunate, for usually these lots go to the larger cities. The mill ends represent odd garments left from even dozens; the seconds are only slightly imperfect, nothing to harm the wear. Therefore, buy a season's supply at the low prices quoted.
