

COUPLE CELEBRATING GOLDEN ANNIVERSARY

Mr. and Mrs. Joseph H. Hartley Receiving the Congratulations of Friends.

The golden anniversary of their wedding is to be celebrated today by Joseph H. Hartley, chief of the vault division of the bureau of engraving and printing, and Mrs. Hartley, at their home, 635 E street southeast. The couple will receive their friends between the hours of 8 and 11 o'clock this evening.

Mr. Hartley is a veteran of the civil war and a Mason of high standing. He has been a resident of Washington since 1861 and he and his wife have been constant readers of The Star ever since their marriage, December 21, 1865. Mrs. Hartley is a native of Washington.

His Son in War. Born in Wilmington seventy-six years ago, Mr. Hartley came to Washington before the breaking out of the civil war. He enlisted, served in the first battle of Bull Run and both battles at Fort Fisher, N. C., and rose to the rank of sergeant. The Union Veterans' Legion since honored him by electing him colonel, and he is now rated a past colonel in that organization.

He also is a past master of Naval Lodge, No. 4, F. A. A. M., past high priest of the Eastern Star, No. 6, and past scribe of the Grand Chapter of the Royal Arch Masons of the District of Columbia. He has been chief of the vault division since 1901.

Eight Children Living. Mrs. Hartley, before her marriage, was Miss Emily M. Cook. She is now seventy-two years of age and is the mother of nine children, all but one of whom are living. They are William H. Hartley of Philadelphia, George F. Hartley of Chicago and Joseph C. F. Hartley of Baltimore, Md. Her other children are Miss Marion Hartley, Miss Mary I. E. Hartley and Mrs. J. Frank Reed of Washington.

Mr. and Mrs. Hartley were married in Christ Church, G street, between 6th and 7th streets southeast, by Rev. Mrs. Oida, pastor at the time and since dead.

CELEBRATE GOLDEN WEDDING ANNIVERSARY.

MR. AND MRS. JOSEPH H. HARTLEY.

ATTEMPT TO ROB ALLEGED.

Colored Man Arrested by Police While Trying to Escape.

A colored man giving his name as Harry Williams and his address as 115 Williams street, Buffalo, N. Y., was arrested in a store on Pennsylvania avenue yesterday afternoon by Detective Charles A. Evans and Policeman McKinzie of the pickpocket squad and charged with having attempted to rob Mrs. Olive Johnson, 727 1/2 street northeast, of her pocketbook.

It is stated that Williams and Mrs. Johnson were found in the store engaged in a struggle, the latter claiming that she was endeavoring to prevent the former from getting away with her pocketbook. Williams was pursued by the officers and placed under arrest.

He denies the charge.

The prisoner told the police that he had been employed as a waiter on dining cars on a railroad in New York and said he was here for his health. He probably will be arraigned in Police Court tomorrow morning.

Ladies' Night for Harden Camp.

Plans for a "ladies' night" to be held by Richard J. Harden Camp, No. 2, Spanish War Veterans, December 31, were discussed at a recent meeting of the camp. A program in which some local talent will appear has been arranged for the occasion. Dancing and a buffet supper also are on the program. A banquet is to be held by the camp at the National Hotel January 17.

'MARYLAND NIGHT' MEET HELD AT TAKOMA PARK

An Address on Town's History and Progress Is Made by Mayor Williams.

Widening of Fourth Street, Between Blair Road and Cedar Street, Is Discussed.

Last night was "Maryland night" with the members of the Takoma Park Citizens' Association, the evening being devoted to the discussion of affairs of interest to those residing on the Maryland side of the Park. The meeting was held in the Takoma Presbyterian Church, and was one of the largest attended meetings of the year. President Wilmer G. Platt occupied the chair, with C. C. King as secretary.

The association discussed the communication received from Charles J. Columbus, secretary of the Retail Merchants' Association, including a resolution adopted at a recent meeting of that organization, and requesting the appointment of a delegate to represent the association at the regular meeting of the association. President Platt announced the appointment of J. Bond Smith to represent the association.

Widening of Fourth Street.

The widening of 4th street between Blair road and Cedar street was discussed at some length, following the receipt of a letter from Engineer Commissioner Kutz. The Commissioner stated that relative to the congested condition at the intersection of these streets and the request to widen 4th street it would be necessary to acquire the necessary property before making this improvement.

The entire cost of the land and improvements, plus the cost of the condemnation proceedings, would have to be assessed as benefits on the surrounding property. He said further that, based upon the assessed values, the cost would be approximately \$8,000. President Platt retired from the chair temporarily and presented a resolution

to the effect that the District Commissioners be advised that it would be desirable to widen the street to ninety feet, and that the citizens of Takoma Park would like to see the work completed, if it could be done, without cost to the adjacent property, the owners in that vicinity having already been penalized by the construction of the Baltimore and Ohio railroad. The resolution was unanimously adopted.

New Members Elected.

T. E. Holmes and Thomas P. Larkin were elected to membership in the association.

The next meeting of the association will be held Washington birthday, with appropriate ceremonies, possibly in the auditorium of the Takoma Presbyterian Church.

At the conclusion of the regular business President Platt introduced Mayor S. W. Williams, who addressed the meeting on the early history of Takoma Park and the improvements as carried on up to the present time. He said that Takoma Park virtually dated back to April 3, 1890. Prior to that time it existed for five or six years merely as a neighborhood. He spoke of the early means of transportation, the Baltimore and Ohio railroad being the most direct line, although a horse-car line extended from the city as far north as Soldiers' Home, from which point conveyances operated to Brightwood.

In 1892 the trolley line was constructed and the town equipped with oil lamps. In 1909 a great undertaking was accomplished, when the sum of \$7,000 was expended in the construction of a water main and sewer system. In 1904 the sum of \$20,000 was devoted to the construction of modern sidewalks, although a horse-car line extended from the city as far north as Soldiers' Home, from which point conveyances operated to Brightwood.

The old Sligo bridge was abandoned the same year, and with the aid of the Washington Sanitarium and the county authorities a modern steel bridge was constructed. In 1912 a contract was entered into with the Potomac Electric Power Company, and electric lights were installed in place of the ancient oil lamps. During the past four years 6,500 feet of additional cement sidewalks have been constructed and paid for, out of the \$27,000 water and sewer bonds, \$7,000 has been paid off and

the sum of \$8,800 paid for the completion of a filtration plant. Through the efforts of the town council, between \$5,000 and \$6,000 was secured from the county for enlarging and improving the school in the corporation. There have been erected 160 houses in the town, which is now equipped with eight miles of water pipe, ten miles of sewers and nine miles of cement sidewalks, all within two square miles, which comprises the corporation. At the conclusion of the remarks, a reliable vote of thanks was extended. In addition to Mayor Williams, nearly every member of the town council was present, together with other town officials. The meeting concluded with a brief address by President Platt, who stated several terms as mayor of Takoma Park.

WOULD CURB GUN SALES. Central Labor Union to Seek Legislation From Congress. Prohibition of the indiscriminate sale of firearms in the District is to be sought by the Central Labor Union during the present session of Congress. At its meeting last night the union ordered its legislative committee to draft a measure for presentation to Congress against selling firearms to any person unless there is satisfactory authorization for the sale. Reports made on the progress of the brewers' strike were to the effect that three more saloons had been enlisted on the union side during the week. Further efforts to unite the Glen Echo builders and electricians also were discussed. It is expected to meet at the next meeting December 27, on account of the holidays. Engravers Elect Officers.
