that a date will soon be announced for the dinner which the Secretary and Mrs. Lane will give in honor of the President and Mrs. Wilson, and which was interrupted by the sudden departure of Mr. and Mrs. Lane for California, where they were called on account of the illness of Dr. Lane.

The Attorney General and Mrs. Thomas Watt Gregory have rounded out their social program of the winter and spring. Mrs. Gregory will leave Wednesday for Austin, Tex., where she will visit her mother, Mrs. Nalle, for several weeks. An exceedingly lively program awaits Mrs. Gregory in her southern home, and the few days of rest she has had during Lent will be almost the only respite from her social activity she will have until the summer season and vacation time rolls around. Last winter was Mrs. Gregory's first season in Washington, and she made it a notable one, accepting with charming grace all of the duties which her husband's position carries. Miss Jane Gregory has enrolled in the Service School of the women's department of the Navy League.

Mrs. Newton D. Baker, wife of the Secretary of War, had a foretaste of the demands made upon her visit here last week. She is very democratic in answering the phone calls personally, and perhaps the thing which most annoyed her was the constant request that she pose for a picture. During her husband's official career in Ohio she was bothered very little on this score, and her naive remark was that she thought there must be a thousand photographers in Washington. Her introduction to Washington society was propitious, beginning with a dinner party at the Japanese embassy and ending with a musical. It is rumored that the Secretary will have Mrs. Baker and their family with him during the late spring and summer, after all, for they are much impressed with the beautiful country surrounding Washington. Mrs. Redfield, a student of the Naval Medical School, is expected to arrive in Washington Saturday for New York, and will spend some time in visiting friends at her former home in Brooklyn.

The Secretary of Commerce and Mrs. Redfield have with them their son, Humphrey P. Redfield, a student of Anberst, who will remain until the middle of next week and then return to college. Mrs. Redfield, sister of the Secretary, who was their guest, has returned to her home at Pittsfield, Mass. Mrs. Redfield will leave Washington Saturday for New York, and will spend some time in visiting friends at her former home in Brooklyn.

The Secretary of the Navy and Mrs. Daniels will have as house guests at the time of the closing exercises at the Naval Medical School Dr. and Mrs. Hubert Royter of Raleigh, N. C., and Mrs. Margaret Busbee Shipp, also of Raleigh. Mrs. Daniels, Mrs. Royter and Mrs. Shipp form a triquet of old friends, and April 12 Mrs. Daniels will entertain guests at luncheon in honor of Mrs. Royter.

The Secretary of the Interior and Mrs. Lane will return to their home here today after spending several weeks in California. It is probable
