

ROB BANK OF \$15,000 AND GET AWAY IN CAR Armed Men Force Cashier to Lie on Floor While They Rife Vault.

CANONSBURG, Pa., April 6.—Two men robbed the First National Bank of Housatonic, Pa., near here, soon after noon today of \$15,000 and escaped in an automobile. Joseph K. McNutt, cashier of the bank, was alone at his window when an automobile drove up in front of the building. A man entered carrying in his hand a piece of paper about the size of a check and laid it on the counter in front of the cashier. On the paper was written "Make a move and you will be shot." McNutt looked up to find himself facing an automatic pistol.

JUMPS AND CRUSHES SKULL Miss Fannie Hutchison of Washington Killed Near Vienna, Va.

Miss Fannie Hutchison, a clerk in a Washington department store, was fatally injured yesterday afternoon, upon jumping from a buggy when the horse driven by her brother, W. C. Hutchison of Vienna, Va., ran away. Miss Hutchison attended the funeral of a niece at Fairfax, Va., yesterday morning, and went to spend the remainder of the day with her brother at Vienna. While out driving with him and his family the horse ran away. Miss Hutchison became frightened and jumped, crushing her skull. The others stayed in the buggy, and expressed their grief. Miss Hutchison was taken to the residence of F. H. Hagman at Vienna, where she died. Funeral services are to be held tomorrow at Vienna. Interment is to be at Fairfax, Va.

APACHES TO HUNT VILLA OVER OLD-TIME TRAILS

Say Brigand Is Hiding in Country Where They Fought Under Geronimo Thirty Years Ago.

COLUMBUS, N. M., April 6.—Clad in khaki uniforms of American cavalrymen, two Apache Indians are preparing today to start for the headquarters of Gen. Pershing to act as scouts in the hunt for Villa. Thirty years ago fourteen of the Indians fought against the American troops, of which Gen. Pershing was then a second lieutenant, in the Geronimo campaign in the same district where Villa is thought to be hiding. Capt. O. P. M. Hazard brought the scouts from Fort Apache, Ariz. "We are going to bring Villa back," said M. Jesse Valesquez, interpreter for the party. "Our men were pledged to do so in a great war dance—the first for years—and they cannot go back on their word. These men are man hunters, men who when scolded to trail of broken twigs and disturbed dust as readily as you can read a printed page." Valesquez said that the warriors, some of whom are more than seventy years of age, were "bain" and "danced" throughout the night before they left, as they did years ago, and then, without sleep, rode horseback sixty miles to the nearest railroad station.

IMMIGRATION BILL DELAYED. Senate Committee Holds Back Measure on Theory It Is Not Needed.

Today there is considerable sentiment in favor of preventing the measure from coming up and thus keep the literacy test provision which President Wilson once vetoed from confronting him again. Whatever the committee may decide, administration leaders insist that it will have to wait on the calendar until national defense and revenue legislation has been completed. Platinum has been recently discovered in the southern part of Spain, and the government has taken possession of the property and will develop it.

BRITISH RELIEF FORCES WIN 20 MILES FROM KUT.

Score Important Victory Over Turks. Russians Expect Hard Battle.

LONDON, April 6.—A victory for the British over the Turks on the Tigris below Kut-el-Amara has been reported by Gen. Lake, in command of the British forces there. The Turkish entrenched position at Umm el Henna was attacked and carried at 5 o'clock yesterday morning by the Tigris Corps. Gen. Lake telegraphed and the operations are proceeding satisfactorily. The capture of Umm-el-Henna, which is on the Tigris about twenty miles downstream from Kut-el-Amara, is the most important news from this theater in some time and is regarded here as giving promise of the early relief of Gen. Townshend's force, which has been besieged in Kut-el-Amara since the first week in December.

Russ Progress Swiftly. PETROGRAD, April 6.—Although there has been no recent official news concerning the developments on the Caucasus front, it has been learned from private sources that the Russian armies beyond Erzerum and in Persia are progressing swiftly and that the Turkish forces are offering only occasional resistance.

It is evident that the Russian troops advancing through Persia to the Mesopotamia frontier have not yet met the main Turkish forces. These, consisting of the Bagdad divisions and reinforcements sent southward after the fall of Erzerum and Mush, are reported to be assembling in the Hamkin pass, and when the Russians reach this point they will be confronted in no way by mountain bands and remnants of broken and demoralized divisions, but with the full strength of the organized Turkish army. Therefore, although an ultimate junction with the British forces is not doubted here, it is not supposed that this consummation of the Russian plans will be easily reached.

MILK WAR ASSUMES MORE SERIOUS ASPECT

Fatted Fresh Supply Will Be Exhausted at Chicago if Strike Is Not Settled Soon.

CHICAGO, April 6.—With a shortage in prospect unless the differences between the producers and distributors in the Chicago district are settled soon, the milk war today assumed a more serious aspect. Most of the distributors in the city were able yesterday to make full deliveries to private consumers, but drivers of the larger companies advised customers to purchase a supply of condensed cream and milk, as it is feared the supply of fresh milk will be exhausted within a day or two, if the strike is not settled. The Borden plant at Woodstock and the Bowman factory at Ringwood were closed yesterday due to shortage of deliveries. The Borden company announced that its works at Elgin, one of the largest in the country, will be closed today if the situation does not change.

Plea Against Picketing. The Bowman company appealed to the circuit court for a general injunction to stop the picketing by which the farmers have tied up most of the deliveries in the Chicago district.

Judge Donnelly, to whom the application was made, issued a writ forbidding intimidation by violence and interference with Bowman property, but declared he could not stop "peaceful picketing" on the part of the farmers. Six hundred farmers went to Elgin yesterday and prevented delivery of milk at the stations there. Reports from the north shore suburbs are that all stores and ice cream parlors will be cut off entirely and families will get about half the usual amount. The producers are now paid \$1.22 a hundred pounds for their milk, but are demanding \$1.55 a hundred. Candy Companies Want New Rates. Five hundred candy companies, including all the principal manufacturers in the United States, today petitioned the interstate commerce commission for a general readjustment of rates to all points west of the Mississippi river. Approximately 750 railroad and steamship companies are made defendants to the proceedings.

President to Go to Chicago. President Wilson today tentatively accepted an invitation to go to Chicago September 4 to attend the national encampment of the United Spanish War Veterans and review a preparedness parade.
