The Suit for Easter is Important.

It's selection delayed until now is not serious, with our stock to draw upon. In fact, not before have we really shown full strength of our variety—of models and weaves. At its very best at the present moment—fresh with new arrivals and later novelties, in Taffeta, Gros de Londres, Poplins, Glove Silks; Serges, Tweeds, Velour Checks, Twills, Gabardines—richly plain in design, or uniquely elaborate in finish—but exclusive and distinctive withal.

Our Suit assortment provides individuality and character that make very personal appeal to your taste.

\$25, \$30, \$35, \$40, \$45 to \$75.

So often are we complimented in the likening of our display to metropolitan New York—price being the only difference. Ours are lower, of course.
