### A Little Matter of Price Tags

"Safety First" at Mayer's means that every price tag is marked in plain figures. It is the custom of some stores to charge one price to one customer and a higher price to others who are less experienced. This can only happen when prices are marked in characters. "Safety first," buy at Mayer's.

## Moving Health and Economy Into the Kitchen

A BIG event in any home is the arrival of the Leonard, the recognized standard of merit in household refrigerators—insuring food purity, cleanliness, wholesomeness. Far too many refrigerators are bought—by housekeepers—with cracks and seams in which dirt or grease can collect, turn rancid and spoil its sweetness. A seamed refrigerator is a breeding place for germs.

LEONARD Cleanable Refrigerators have seamless, solid porcelain linings, glistening white, and are easily cleaned with a damp rag. Scratch them with a knife or a pin. You can't break the porcelain. It is everlasting. The Leonard, with its famous seamless porcelain linings, costs LESS in most cases than ordinary seamed refrigerators. Safety first—buy a Leonard.
