HALF BILLION TOTAL INTERNAL REVENUE

Secretary McAdoo Says Tax for Fiscal Year Exceeds All Previous Estimates.

VOLUME OF THE RECEIPTS LARGER MONTH BY MONTH

Boom in Business in Great Part Responsible for the Increase, He Declares.

Half a billion dollars will be the government's internal revenue tax toll for the fiscal year ending June 30 next, according to a statement issued by Secretary McAdoo. This sum, which Mr. McAdoo says exceeds by many millions all previous estimates, will be made up, substantially as follows:

Taxes on whisky, beer, cigars, cigarettes and tobacco, \$302,000,000.

Taxes on the incomes of individuals and corporations, \$115,000,000.

Emergency tax collections, \$83,000,000.

The volume of money pouring into the Treasury has steadily increased month by month since last fall until it is now greater than at any time since the effects of the war began to be felt.

Cites Reason for Increase. Mr. McAdoo accounts for the situation as follows:

"The great boom in business is largely responsible for the increase in receipts from ordinary internal revenue. The prosperity of the country with the attendant wider scope of employment and increase in wages has in itself resulted in a larger consumption of taxable articles, greatly augmenting the government's revenue."

Consumption of whisky, cigars, cigarettes and tobacco has increased, according to revenues received, while consumption of beer has decreased during the fiscal year. For the first ten months of the year receipts of taxes on cigars, cigarettes and tobacco increased \$5,665,121 over the corresponding period a year ago, due, in large part, the statement says, to the great improvement of business conditions.

Advance in Liquor Tax. The statement continues:

"Notwithstanding the spread of prohibition, collections on distilled spirits for the first ten months of the current fiscal year increased \$10,013,140 over the corresponding period of a year ago. This due, in great measure, to the effective enforcement of the internal revenue taxes on distilled spirits. It is estimated that through the campaign of the Treasury Department against undergauging, equalizing and blockading in distilleries, the revenue of the government has been increased by probably \$5,000,000 annually."

"The only article of taxation showing a decrease is beer. Because of the relatively low tax on fermented liquors and the difficulty of getting untaxed beer on the market, the loss in tax on beer on account of such has been negligible, and the decrease is due principally to the increase in the prohibition laws."

Low Cost of Collection. "It is estimated that expenditures from the internal revenue appropriation for the current fiscal year will amount to \$7,200,000; and even if the collections amount to only \$495,000,000, the cost of collection will be 1.45 per cent, the lowest in the history of the internal revenue service. If the collections amount to \$500,000,000, the cost of collection will approximate 1.4 per cent."

SACRED MUSIC PROGRAM PLEASES BIG AUDIENCE

Entertainment by Cecilia Concert Company at the New Scottish Rite Cathedral.

The Supreme Council chamber of the new Scottish Rite Temple was filled to overflowing yesterday afternoon at a concert of sacred music arranged by Gertrude Lyons, soprano, and presented by some members of the Cecilia Concert Company, assisted by Edith Marmon Brosius, harpist. The program opened with the strains of Handel's "Largo," arranged for violin, cello and organ and rendered by Elizabeth Sabrina Wilbur, Edwina Cory Doing and Mrs. Charles Brooks-Smith.

One of the most effective of the numbers was the Bach-Gounod "Ave Maria," sung by Mrs. Lyons, with accompaniment by harp and organ and with obligato by Miss Wilbur. The remaining selections included the trio, for soprano, tenor and bass, "Ariele, Shine, for Thy Light is Come" (Saint-Saens), sung by Mrs. Lyons, Charles E. Myers and Charles W. Moore; harp solos, "Au Monastere" (Hasselmans), Mrs. Brosius; tenor solo, "Father, Unto Thee I Commend My Spirit" (Dubois), Mr. Myers; organ solo, "Idyll" (Klinder) and "Evening Bells and 'Cradle Song" (MacFarland), Mrs. Brooks-Smith; "The Lost Chord" (Sullivan), Miss Wilbur; bass solo, "Life" (Blumenthal), Mr. Moore; duets for soprano and bass, "List, the Cherub Hoar" and "I Heard the Voice of Harpers" (Gautier) sung by Mrs. Lyons and accompanied by Miss Wilbur, Mrs. Doing, Mrs. Brosius and Mrs. Brooks-Smith.

HATS LEADS IN ELECTION. Probably Elected Secretary-Treasurer of Typographical Union.

Reports just reaching Washington printers as to the results of the election all over the country for international officers of the International Typographical Union show that 200 unions, representing 23,000 votes, give J. W. Hays a majority of 7,500 for the position of secretary-treasurer.

For delegates to the American Federation of Labor, Max B. Hayes and H. W. Bennett are said to be the successful candidates, judging by the vote, while the vote so far received at headquarters for these positions is reported to be as close between J. W. McCullough, Hugh Stevenson and Frank Morrison.

For trustees of the Union Printers' Home, Thomas McCaffery and Malcolm A. Knock appear to be winners, while William Mounce is leading Michael Powell. No information was received here as to how the vote is going in the election of auditors.

Arts Club Host at Reception. The new Arts Club of Washington held a reception yesterday afternoon at its recently acquired home, 2017 I street northwest, nearly all of the 500 members who have enrolled themselves in the organization dropping in between 2 and 6 o'clock to have a cup of tea and a look over the clubhouse. A formal "housewarming" will be held in the fall. Among those who welcomed the callers yesterday were H. K. Bush-Brown and Michael Jacobs, officers of the club.

GERMANS ASSERT FEALTY TO THE UNITED STATES

"Creed" Submitted to Representative Meeting in Chicago, Declares Americanism Not Hyphenated.

CHICAGO, May 29.—Loyalty of Germans to the United States was declared yesterday at a representative gathering of Germans from all over the country. A "creed" was submitted by the German-American Newspaper Publishers' Association, in which it was asserted that the "Germans might be hyphenated Americans, but their Americanism is unhyphenated."

Some of the things which the tentative creed advocated were an adequate preparedness based on patriotism, maintenance of the Panama canal free to American ships, insistence by America on the freedom of the seas. The meeting was presided over by J. B. Meyer, a Philadelphia manufacturer, and the majority of the representatives in attendance are here to attend the republican convention.

It is the intention to form in Chicago a central body, which shall keep in touch with all German-American organizations in the country with a view to solidifying them in matters of national political importance and on other questions in which they are interested.

WOODY HELD PRISONER IN COLD-STORAGE PLANT

Manager of Business House Forced to Take Refuge There by Ammonia Fumes.

Held a prisoner in a cold storage plant to escape the fumes of ammonia that escaped from a broken pipe connected with a cold air plant at the place of business of Hoover & Denham, 940 Louisiana avenue, was the experience of William W. Woody, manager, Saturday night about 11 o'clock.

It is stated that trouble had been experienced with the cold air plant, and Saturday night when Woody started the engine on the second floor of the building a break in the pipes on the first floor caused the fumes of the ammonia to escape.

Woody jumped into the big cold-storage room and closed the door behind him. He was forced to remain in there fifteen or twenty minutes, occasionally opening the door to learn if there was any possible chance of escape.

Harry Shirley, 948 Louisiana avenue, wearing an ammonia helmet, went to Woody's assistance, and Machen K. Hammill, a passerby, entered the building without taking any such precaution. He was affected by the fumes of the ammonia, he stated, but he managed to pick up Woody and carry him from the building.

Woody and Hammill were taken to Emergency Hospital. The former quickly regained consciousness and returned to his place of employment. Hammill was only slightly affected.
