La Vida

ARISTOCRAT OF THE CORSET WORLD

In a beautiful well fitting La Vida Corset even the perfect figure gains in grace and poise—and health. Fashionable women know how important the choice of a corset is, and that price is not a reliable guide. They look for elegance of style and beauty of fit, which they find supreme in La Vida, the American Corset with French chic.

Every line breathes the atmosphere of the finest ateliers of Paris. It has perfection of design—materials—workmanship; besides, the elusive something, found only in costly French corsets. It is this that makes La Vida Corsets so individual—distinctive; so different.
