

PRESIDENT TAKES UP POLITICAL CAMPAIGN

Speech in Baltimore Today First of Series Marking Greater Activity. EIGHT-HOUR LEGISLATION TO BE PRINCIPAL THEME

BALTIMORE, Md., September 25.—President Wilson came to Baltimore today to deliver his second speech in his campaign for re-election. He arrived here at 1:30 o'clock this afternoon and was driven immediately to the Lyric Theater for his address before the national grain dealers' convention.

The President's progress through the streets was marked by a continuous ovation. Four automobiles conveyed the party. There were no bands because of Mr. Wilson's insistence that the occasion be kept non-partisan.

LONG BRANCH, N. J., September 25.—President Wilson left here at 9 o'clock this morning for Baltimore, where he was to discuss the railroad eight-hour law and other campaign issues before the National Grain Dealers' Association at 2:30 o'clock this afternoon.

To Speak of Eight-Hour Law. Although the President had not written his speech in advance he had prepared tentatively in his mind. The speech was to be the first of a series he will deliver before non-partisan organizations.

The President expects to amplify his speech in the statement of the recently threatened railroad strike. He will do this on the theory that the grain dealers are interested in the strike as shippers.

Big Issue of Campaign. This subject, which the President now considers one of the chief issues of the campaign, will be featured by Mr. Wilson in virtually every speech he makes.

Train Delayed by Burning Car. PHILADELPHIA, September 25.—President Wilson, traveling in a special train from Long Branch, N. J., today was held up eight minutes in the northwestern part of Philadelphia today by a fire in a carload of straw on the New York division of the Pennsylvania railroad.

HUGHES SEES PERIL TO AMERICANITY

Duty of Each Generation to Stand for Honor of the Flag. DIGNITY OF CITIZENSHIP SHOULD BE CONSERVED

DAYTON, Ohio, September 25.—The United States will not endure unless each generation stands firmly for the dignity of American citizenship and the honor of the flag, Charles E. Hughes today told an audience of civil war veterans.

What I most want to see in this country, Mr. Hughes said, "is to have our young men, our middle-aged men, our women and our women, too, fired with the patriotic spirit of '61."

Love of Country Needed. "As I look to the future and greatly desire that we should find solution for the economic problems of our country I am deeply impressed with the fact that we must have a driving power of progress, of love for our country."

Dignity of Citizenship. "We desire nothing but that to which we are justly entitled. We want the esteem of all nations. We covet nothing; but, my friends, the Union which you fought to maintain will not long be preserved unless we maintain in this generation firmly the dignity of American citizenship, the honor of the American flag."

Continues Ohio Trip Tomorrow. Mr. Hughes left Indianapolis early today to open his campaign in Ohio. He will leave Dayton early tomorrow to continue his trip through Ohio.

DOBRODJA BATTLES REACH A DEADLOCK

Little Progress on Either Side Since Halting of Von Mackensen's Drive. CHIEF BALKAN ACTIVITY IS ON MACEDONIAN FRONT

LONDON, September 25.—Latest reports regarding the important campaign in the Rumanian province of Dobrodja indicate a lessening in the intensity of the struggle between the invading armies of the central powers and the Russians and the Rumanians facing them.

Field Marshal von Mackensen's initial attempt to break the allied lines formed to defend the Constantza-Tchernavoda railroad evidently having failed, the opposing forces have apparently now virtually deadlocked along the front from the Danube to the Black sea.

Progress Along Coast. The current statement from Bucharest announces only artillery duels along the Danube. It declares, however, that the Rumanians have made some progress on their left flank, which rests on the sea coast.
