Unrivaled Value—Offerings in Quality Furniture a Strong Feature of Our 21st Birthday Celebration

A Fall Exhibit and Sale of Well Built Furniture Unequaled in Variety and Economy

The Washington shopping public has learned from the cumulative evidence of 21 years' fair dealing that Goldenberg merchandise is to be relied upon and that our prices are uniformly fair—which means lowest in the city. This confidence cannot be secured in a season or two—it takes many years of earnest endeavor. It is our most valued asset, and the sure means to continue growth.

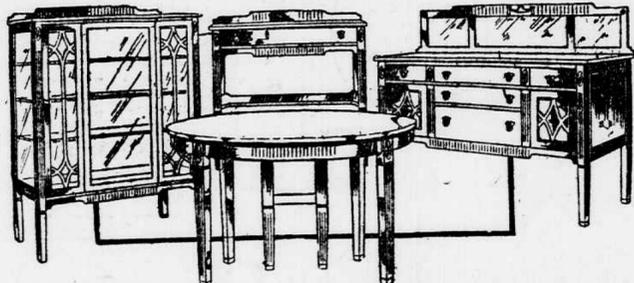

"Birthday Week" will be celebrated in our Furniture Store, "Across the Street," with many a great list of exceptional values in Furniture of the newest design and most reliable quality. The many special offerings we've prepared for this event should impress every careful money-spender with the impregnable position we enjoy as the store that "outvalues and undersells."
