Better System of Education for Children Urged at Closing Session. FOR SABBATH OBSERVANCE

T. A. Hosteler was re-elected president of the District of Columbia Sunday School Association at the closing session of the twenty-third annual convention last night in First Congregational Church.

For Real Educational System. We have need of a system of education for Christian living that will accomplish what we ask of it.

Better Sabbath Observance. Before the close of the session last night W. W. Millan, chairman of the resolutions committee, introduced a set of resolutions asking that a more strict observance of the Sabbath be urged.

Executive Committee Members. The executive committee of the association, as named last night, is to consist of L. D. Alden, Charles A. Baker, J. S. Barker, C. B. Bateman, J. E. Bolen, H. L. Buell, Rev. C. H. Butler, Samuel M. Croft, Clinton James, C. S. Hardy, Norton W. Harlow, W. W. Millan, Thos. W. W. Millan, George W. Pope, J. W. Reiser, William H. Richardson, W. H. Shook, and Rev. C. S. D. Hardy, in addition to the officers.

U. S.-NICARAGUAN TREATY PROTESTED BY COLOMBIA. Colombia has protested to the United States against the new canal-route treaty with Nicaragua, on the ground that the granting of a ninety-nine-year lease to this government by Nicaragua of Great Corn and Little Corn islands is a denial of Colombian sovereignty in those islands.

Frigate to Be Docked for Repairs. BOSTON, November 2.—The frigate Constitution, relic of the early days of the United States Navy, is going into dry dock for the first time since 1859, according to plans announced at the Charlestown navy yard, where the old sea fighter is docked. A new bottom is necessary.

HAVE YOU A FRIEND WITH SKIN TROUBLE? If you have a friend suffering with eczema or some such itching, burning eruption what greater kindness could you do him than to say "Resinol Ointment"?

Twenty-five clever boys and girls will be presented at the Cosmos Theater next week, in a big revue of the hits of the legitimate stage and vaudeville during 1916, and give glimpses in mimicry of a number of stage celebrities, such as Anna Pavlova, Gertrude Hoffman, Fred Stone, George M. Locates Comet Believed Uncharted. SALEM, Ore., November 2.—A large comet, believed to be uncharted, has been discovered here by L. L. McAdams, an astronomer. GERMANS SAY WILSON PLAN IS IMPRACTICAL. Suspicion Also Voiced as to "Society of Nations"—Would Provoke War, Claim. BERLIN, November 2.—President Wilson's speech at Cincinnati last Thursday is printed at considerable length and has been received by the newspapers with varying degrees of comment—from the expressed belief that his suggestion of the necessity for a "society of nations" is simply unworkable and impracticable to the outspoken claim that it is inspired by ambition for Anglo-American mastery of the world.

Nora Bayes will head the bill with a number of new characteristic songs in which she displays more than her usual personality and "pep." Donald Gardner will assist at the piano. The added stellar feature will be Charles Kellogg, the nature singer and woodsman, who is said to sing all the songs of woodland birds with a voice whose lowest note is higher than Tetrazzini's highest, covering twelve and a half octaves. Other features will be Fred Whitfield and Marie Ireland, assisted by Lew Murdock, in "The Belle of Bugville"; Nina Valeiri, the Spanish dancer; Maybelle Adams and Marion Murray, in "Cotton Stockings" by Edgar Allan Woolf; Frank Wood and Buncie Wyde, in "That's All Right," by Frank Orth; the Cycling Brunettes, the pipe organ recital and the news pictorial. Sunday at 3 and 8:15 p.m. the offering will comprise Cicconetti, Grace La Rue, Lloyd and Britt, the Sixteen Navassars Girls, Arthur Deacon and other features of the current week.
