GRIF GETS OPTIMISTIC OVER WORK OF SHANKS

Thinks Placing of That Player at Short Makes Team Much Stronger.

BY DENMAN THOMPSON.

Special Dispatch to The Star. BOSTON, June 27.—Although the average opinion among the National League's recent record in the matter of victories, may see no reason for it, Manager Griffith is optimistic over the prospects of his team. The principal reason for it is the splendid showing of Shanks at short.

"Some of the best shortstops the game ever produced were originally short at second and Judge on the field and George Davis all got their start in the garden, and there never was a better shortstop than Griffith. I am going to let him stay in the line-up every day, and I believe he will be a great asset to the team."

With Foster at third, Shanks at first I will have an infield that will stack with any of them. Foster has been a great asset to the team, but the rest he is getting while his damaged finger is healing probably in a few days. Morgan at second, Judge at short, and Shanks at first will be a formidable batting order.

Wing Commander I. W. Seddon of the British command in the United States, according to Secretary Baker of the War Department, principal speaker at the banquet at the New Willard Hotel last night which closed the two-day midsummer session of the Society of Automotive Engineers.

In the course of his talk Secretary Baker said: "This war is to be won by the people who are the most subtle in genius and science. When we have finally vanquished the enemy it will be because of these qualities."

At yesterday afternoon's session of the society at the bureau of standards papers were read on these subjects: "The Building of an Airplane," by Henry R. Supton; "The Farm Tractor as Related to the Food Problem," by H. L. Strong; and "Changes and Uses of Automobiles," by Lieut. Anthony de la Grange, French commission.

China has the longest national hymn. Several members of the Society of Automotive Engineers, which is composed of all those engaged in the construction of the automobile type of engine, are now developing their time to aiding the government in the furtherance of war plans.

NEW YORK, June 27.—The best price paid at auction this year for a thoroughbred yearling was realized last night, when the Boque Bonita yearlings of John H. Morris and a few other yearlings were sold at Durand's Riding Academy to the Powers-Hunter Company.

CARPENTIER COMING HERE

French Champion to Give Exhibition Bouts for War Fund. NEW YORK, June 27.—R. C. Klein, a boxing promoter who went over to Paris some weeks ago to arrange for a visit of Georges Carpentier to this country, upon his return yesterday from France made the assertion that the famous French aviator and light heavyweight would arrive in New York during the next few weeks.

AFTER UMPIRE-BAITERS

A. A. to Fine Them Instead of Putting Them Out of Game. CHICAGO, June 27.—Players in the American Association hereafter will be fined \$25 instead of being put out of the game for wrangling with umpires. President Hickey announced that the penalties of a player who is objectionable to an umpire is \$25 to the player, an additional fine of \$25 will automatically be assessed if the offense is continued.

Jockey Goose Hurt

LATONIA, Ky., June 27.—A bad accident marred the running of the second race here yesterday. Roscoe Goss, veteran jockey, was seriously injured. His mount, Kenward, stumbled and fell. Two other horses, Leonidilla and Mab, fell over the prostrate rider. Goss was knocked unconscious.

MEMOSKY BIG FACTOR IN DEFEATING RED SOX

Drives in Two Runs and Scores One Himself, Washington Winning by 3 to 2.

BY DENMAN THOMPSON.

Special Dispatch to The Star. BOSTON, Mass., June 27.—Mike Menosky broke into the line-up again yesterday, after shining the bench for seven games, and made his presence felt by driving in two of the Griffins' runs and scoring the third. After coming "Cuckoo" Jamieson's 300th batting record in the penultimate game was racing. Griff concluded it was high time to make a change, and it was due to the fact that he acted on the conclusion that the national handed the Red Sox a 3-to-2 licking at Fenway Park.

Carl Mays never could beat the Griffins, anyhow, and yesterday he was stacked up against the same pitcher, Shaw, who took his measure on the occasion of his last appearance against the Capitalists in Washington. Mays' Pittsburgh Jim didn't do it all by his losses; however, Johnson went to his rescue in the eighth, when he pitched Barry and Hoblitzel's single with one out, gave the situation an ominous tinge. Johnson pitched himself from this hole, but if he had not produced a single, with Menosky on second, in the frame, the boys would have been extra innings, as the Sox nicked Walter's delivery for one run in their half of the final session.

Mays' sublimity did not bother the Griffins much at any stage of the proceedings, nine of the even dozen walks they were given, but they were two and three in four different innings. The visitors were the first to score, getting a run over in the second, when Leonard scored on a sacrifice bunt. Morgan singled to open this round, Leonard sacrificed him, and Menosky scored him with a safety net.

Get Another Run in Third

The same combination produced another run in the third, Morgan hitting for the ball. Mays failed to get on, and the second baseman crossed the plate. Leonard also tried to tally on the blow, but Hooper's accurate peg caught him. In the ninth, with one down, Menosky was safe when Hoblitzel fumbled his grounder, and Mike stole second as Morgan fanned.

COBB SETS MARK FOR HITS

Tyrus Has Batted Safely in Twenty-Two Straight Games. CHICAGO, June 27.—Tyrus Cobb hit safely in both games of a double-header here yesterday with Chicago. As a result he holds a record of safe hits in twenty-two consecutive games. Cobb's streak began in New York in the first game of the series here on May 31. He has made one or more hits in each game since then.

GREAT ATHLETIC CARNIVAL

20,000 Entries Expected in Gotham Event on Fourth. NEW YORK, June 27.—More than 20,000 entries are expected for the games in a great athletic carnival which is being arranged by the mayor's independence day committee. The program of athletic and other organizations will take part in the carnival, including Boy Scouts, Junior naval reserves, who will compete in uniform.

Industrial Home School is Grade School Base Ball Champion of the District

Industrial Home School is grade school base ball champion of the District. The team, coached by John J. Stoen, defeated the other teams in the district in a decisive game from the Henry-Polk School. Good pitching by Savannah and hard hitting by Sam Berry were more than any other factors responsible for the honor. Cherry connected for four safe drives out of as many times at bat and Cavano allowed only three hits. Jacano, who previously has pitched brilliantly for the Henry-Polk nine, yesterday was unable to finish because of a sore arm.

SHOPS BEATS OFFICE; MAROONS NINE VICTOR

Former Wins, 6 to 4, in Terminal "Y" League and Latter by 9 to 2 in Rosedale.

BY H. C. BYRD.

Shops and Maroons won the two games played yesterday in the amateur base ball leagues. The former defeated General Office by 6 to 4 in the Terminal Railroad Y. M. C. circuit, and the latter captured the long end of the score in its meeting with the Columbias, in the Rosedale League, by 9 to 2. Good and bad play was in evidence in both contests.

The stickwork of Brown of Shops and Hutchinson of Office featured the struggle in the railroad organization. Brown connected for three safe drives. Office, as a whole, outbit Shops, but never was quite able to get its safeties consecutively. Maroons and Roche of the Maroons were the best batters in the Rosedale League, each making two hits.

To judge by the number of men who have been in the amateur leagues, that institution is going to be well represented in the war by its athletes. Nine-tenths of the players in the amateur leagues joined the government forces in some branch. A list of these men and the names of the clubs to which they are members of the track squad is reproduced from the columns of the New York Sun.

It is unfortunate that the record made by Larsen of Brigham Young University some time ago in the high jump cannot be accepted as a new world record. The measurements were just too precise as possible, but the A. U. ruling is that no record can stand as long as there is any doubt as to the regular event. Just to what ends the judges went in determining the exactness of the measurements is not clear.

TENNIS FINALS ON TODAY

Knapp, Conklin and Dudley Finalists in Junior Tourney. The finals in the boys' division of the District Junior and boys' tennis championship, played on the courts of the Princeton Heights Tennis Club, were reached yesterday. Dudley defeated Beale in the semi-final of the junior singles and will meet the winner of the Prince-Kalther match today. Conklin won from Burke in the upper semi-final of the boys' singles, 6-1, 6-2, and A. Knapp earned his way to the final by defeating Dudley in the quarter-finals. With one set played and another at 6 all, the doubles match between Ballinger and Ballinger and Knapp and Beale was postponed on account of darkness. Summary: Semi-finals—A. Knapp defeated Dudley, 6-1, 6-2. Boys' doubles: First round—Kimball and P. Knapp defeated Burke and Flanagan, 6-2, 6-1. Conklin and Moore defeated Sullivan and Burke, 6-1, 6-2. Semi-finals—White and Knapp defeated Kimball and P. Knapp, 6-2, 6-1. Conklin and Moore defeated Nordlinger and Ballinger, 6-1, 6-2. Final—White and Knapp defeated Nordlinger and Ballinger, 6-0, 6-1.

SALM PUTS OUT BECKMAN

Austrian Wins Again in Bronxville Tennis Tournament. NEW YORK, June 27.—The match of chief interest in the metropolitan tennis tournament at Bronxville yesterday was a third-round encounter, in which Otto Salm defeated one of the strongest of the younger players of the country, Leonard Boroman, by a score of 6-3, 6-2, 3-6. The play of the Austrian court has been improving this year, and in the tournament thus far he has been more than ordinarily successful. Yesterday, however, he was forced to call all his skill to bear before he disposed of the alert Boroman. Defaults continued to play rather large a part for the good of the tournament. S. Howard Voshell, one of the strongest contestants and holder of the national indoor championship, was forced to withdraw. Because of a slight operation he will not play tennis for some ten days.

WAR MAY NOT HARM GOLF

Hostilities Will Interrupt It Less Than Other Games. Golf will probably suffer less from the inroads of conditions pertaining to the war than any other form of sport. Perhaps the golf player will not be of such a high order during the period of hostilities, but it is not likely that a thorough cessation will ensue, as has been the case in other sports. Many of America's star players have already volunteered for war service, and there will not be a lack of military men who will not be able to play. The majority of golfers, the men who are called "staying members" of the clubs, are men who will not be liable to military service. The burden of war will naturally fall on the younger men, and among the great war tournaments, and while there are large numbers of them, these young men virtually furnish the competition in the amateur championships, and there will be no national events during the period of war, the absence of the star youngsters will be noticed.

WAR MAY NOT HARM GOLF

At least three of the country's best players are well under military age. Bobby Jones of Atlanta's formation of the amateur championship, is but fifteen years of age; Perry Adair is eighteen and Norman Maxwell, north and south amateur champion, nineteen.
