Men Must Pay.

In this old world much is uncertain; tomorrow is behind a curtain that hides it from today; one thing is sure, for all wayfarers: for all our follies and our errors, we'll sometime have to pay. We trot along a course unholy; the day of wrath approaches slowly, and seems long versts away; but Nemesis is cutting clover, preparing now to put one over, and shortly we must pay. In trifling matters and in greater the truth holds good, and soon or later, while young or when we're gray, the captain's office we shall enter, approach the wicket in the center, and shed some brine and pay. I see the blithe lads waste their money in courses dissolute or funny, as thoughtless as they're gay; and later on they will be yearning for dollar bills they now are burning, for spendthrifts all must pay. I see good fellows soak their shanties, and borrow money from their aunts, that they may ride today, in gorgeous cars with seats of leather, and fenders neatly put together, and some day they must pay. I see so many idly taking the road that goes where hearts are breaking, where all the Jonahs stay! Alas, alas, they are not heeding the lesson I am daily reading, which is that men must pay!

WALT MASON.

FEDERAL EXPERTS OFFER SUFFRAGISTS PLANNING FOR ANNUAL CONVENTION

Declare That Home Storage Be Used for Supply for Not More Than Two Months.

Potatoes can be bought when cheap and stored in the home. But there are certain requirements which must be met, and then the experts of the Department of Agriculture do not recommend that home storage be used for a supply of more than two months.

It is recommended that the storage begin in November. But those contemplating storing can begin now to prepare their storage facilities.

Reports received by the Department of Agriculture indicate that large quantities of potatoes are being stored in cellars in increased numbers this year. So the little householder may be able to beat this apparent attempt of the growers to hold potatoes by storing up a little supply of his own in his home.

Storage in the cellar, large enough to store an adequate supply, may be set aside and boxed in, not forgetting the window in need of a "somewhere within the inclosure. This must be used to open and give the tubers ventilation.

Room Must Be Cool and Dark.

The storage room must be cool and dark and the potatoes must be kept in barrels and crates and not bulk. The potatoes have a tendency to heat up, and unless there is a way of venting air at night, they are likely to rot before they can be eaten. But, light is the great destroyer in this case.

Potatoes for the table deteriorate very quickly when exposed to the light, according to Prof. W. Stuart, the expert in charge of the Department of Agriculture.

Potatoes can be kept for a very long time in the cellar, but if there are not cold storage facilities in the home, and this means of storage is also very expensive on the small scale. Potatoes have been known to keep in cold storage from June of one year until the following March.

Large Crop Is Indicated.

Reports to the Department of Agriculture indicate that there will be a very large crop of early potatoes, and late potatoes. The early potatoes now are coming on the market and will continue to appear in the market for some time. The late potatoes are being planted in the fields and will be ready for the market in the latter part of the season.

It is believed that the crop of potatoes this year will be one of the largest in the history of the country. This is due to the fact that the weather has been very favorable for the growing of the crop, and the farmers have been very successful in their efforts to increase the yield.

TO BRING INSTITUTION TO ITS OLD-TIME POSITION

Campaign Begun to Increase Student Roll at Gonzaga College. Committee Chairmen Named.

Encouraged by the success of their \$100,000 campaign for a new school, the people of St. Aloysius parish have started another campaign, which they hope will be equally successful. This is to increase the number of students at Gonzaga College, which was one of the first military colleges to be organized in the city.

The plan is for a large enrollment next year when the Gonzaga Cadets will be given intensive training modeled after the course of instruction in the camps for reserve officers.

The campaign for students was started last night at a largely attended meeting of the alumni in Gonzaga Hall. A number of graduates of the college who are now attending the training camp at Fort Myer were present in uniform, and speeches were made attesting the patriotism that has always been demonstrated by the students of Gonzaga College.

Chairmen were appointed for committees in all the parishes to cooperate in the campaign, as follows: St. Aloysius, Thomas B. Follard; St. Ann's and St. Patrick's, John Joseph O'Dea; St. Anthony's, Francis De Sales Roach; St. Dominic's, William P. Holyoake; Holy Comforter, Charles E. Ford; Holy Name, William A. Mealy; Holy Trinity, Norman P. Landreau; Immaculate Conception, David L. Jordan; St. Joseph, John H. Browning; St. Mary's, Joseph E. Fitzgerald; St. Martin's, Thomas B. Shea; and Holy Trinity, St. Matthew's and St. Stephen's, Daniel O'Callaghan; St. Paul's, Rossa P. Downing; St. Peter's, Clarence F. Donohoe; Sacred Heart, Lawrence J. Donohoe; Church of the Nativity, John J. Burger.

Rev. Father Duarte, S. J., vice president of Gonzaga College, addressed the meeting.

Two Receive Commissions.

Special Correspondence of The Star.

HYATTSVILLE, Md., July 10.—Lucian Hall Vandoren, son of Mr. and Mrs. Theodore J. Vandoren, and Galen Miller Sturgis, son of Prof. and Mrs. C. C. Sturgis of this place have received commissions as second lieutenants in the Marine Corps. Lieut. Vandoren was graduated from the United States Naval Academy at Annapolis, Md., and had been connected with the Department of Justice. Lieut. Sturgis was a member of the recent graduating class of Maryland State College of Agriculture and was cadet major there the past year.

The audience is requested to stand at attention when their hats remove while the band is playing "The Star Spangled Banner."

FRED M. BOCK DISMISSED.

City Post Office Employee Praised Kaiser in Song.

For extolling the kaiser in song Fred M. Bock, who held the position of aminer of stations in the city post office until he was recently suspended, has been dismissed. Bock has been named to fill the vacancy. Mr. Bock has been in the postal service for seven or six years.

Bock's alleged offense occurred during the recent excursion of the local letter carrier to Chesapeake Beach at a dinner Mr. Bock is said to have sung a song, which was a parody on "Tippecanoe and the Boys are Here," in which he was laudatory of the kaiser. Complaint was made to the department by a woman who heard the song.

HOME GUARD PLANNED FOR DOWNTOWN SECTION

Business Men and Police Take Steps for Protection of Property in Business District.

In order that business and financial institutions in the downtown section of the city can be well protected a branch of the home defense guard is to be organized in the first police precinct, commanded by Capt. Carl E. E. Flather.

At a meeting at the police station yesterday afternoon, called by Dr. Frank E. Gibson, civilian captain of the first precinct home guard, plans were outlined for the formation of units in the various business and financial institutions. It is proposed also that three employees from each institution be appointed to work in connection with the police in the precinct.

Dr. Gibson explained that there are first class citizens residing in the first precinct for the formation of a branch of the league, and therefore has been decided to organize from proprietors and employees of the various business places.

Capt. Flather suggested that three men be appointed from each of the large institutions having units, who would be ready to respond when called upon to aid the police in any duty which they might be required. He called attention to the fact that sometimes the police are unable to protect property when there is an unusual number of cases of robberies, and at such a time they are unable to give service to the police department.

William P. Eno, Odell Smith and Isaac Gans also spoke of the efforts of the officials to form the downtown section for the league. John N. Harding, manager of Woodward & Lothrop's, explained that a unit has already been formed in that business place.

Maj. Pullman, superintendent of police, urged the co-operation of the business men with the league and told them that the city is in a state of emergency. He urged that everything be done to "make Washington the safest city in the world."

Those attending the meeting were: John N. Harding, Woodward & Lothrop; George S. De Neale, S. Kann, Sons & Co.; R. H. Buckley, Palais Royal; Edward P. Morrissy, W. B. Moses & Sons; Mark Dobrin, Goldenberg's; Isaac Gans, Saks & Co.; Harry Hahn, Hahn & Co.; D. S. Porter, Chesapeake and Potomac Telephone Company, and C. P. Carpenter, Washington Gas Light Company.

Two Government Places Open.

St. Elizabeth's Hospital needs a laundryman—that is, some one to manage an up-to-date laundry. The man must know how to work out a systematic plan of cost-keeping and locate avenues of waste. For the right man the government will pay \$900 a year, feed him and give him a room. The civil service commission will conduct an examination for the position July 19.

The local depot quartermaster of the army wants a plan cutter and addressograph operator, either man or woman. The pay is \$70 a month. The examination for this position will be held by the civil service commission July 25.

BOY RUN OVER AND KILLED

STANDING NEAR PARENTS

Son of Policeman Rout of Ninth Precinct Is the Victim of a Taxicab.

While standing near his parents, William H. Rout, eight-year-old son of Policeman Rout of the ninth precinct, was run over and killed on 14th street southwest, near the river front, Royal. The boy was struck by a taxicab belonging to the Central Taxicab Company and operated by Harry Grossman, twenty years old, 241 I street southeast. The boy died at Emergency Hospital thirty minutes after the accident.

His parents, who live on 14th street, near the river, were standing by the car when it was struck. It is said that he passed in the rear of his father's car directly in front of the approaching taxicab, and one of the wheels of the vehicle passed over him.

Did Not Know It Was His Son.

When Policeman Rout's attention was attracted to the scene of the accident he went there to detain the chauffeur until he could investigate the affair. Little did he think the victim was his own child, and it was not until he returned and saw the prostrate form of the victim on the pavement that he learned of his identity. Grossman took the injured boy to the hospital, the latter's father accompanying him. Seven men were riding in the taxicab, and the excessive weight of the heavily-laden vehicle probably caused the injury, a more serious injury than otherwise would have resulted, it is thought.

Grossman is held by the police, to appear at an inquest that will be held at the morgue late this afternoon.

Flowers for Every Purpose.

TWO GIRLS MISSING.

Margaret Aileen Swann and Mary Hall May Have Eloped.

Two sixteen-year-old girls are reported missing from their homes and the police have been told that they may have eloped. One is Margaret Aileen Swann, whose home is on Alabama ave. near Congress Heights, and the other is Mary Hall, 643 L street southwest.

Requests made of the police by parents of the missing girls gave the information that they disappeared Sunday. It was suggested that Margaret Swann might leave the city on a train from Union station last night at 12 o'clock, but detectives on duty there failed to find any trace of her.

Margaret has dark complexion and dark hair, and an upper gold tooth, it is stated, should make it a comparatively easy matter to identify her. She wore a dark silk skirt, light waist and white hat when she left home.

Mary Hall has brown hair and blue eyes. She was dressed in a white costume and black shoes when she left home, but did not wear a hat.

No Demand for All Night Station.

There apparently being no demand for an all night money order and registration station at the main city post office, it has been closed. It was announced today. About a month ago the station was closed at midnight to ascertain whether there was any demand for it. No complaint was received, and the station has been formally closed. It will remain open until midnight only.
