

The Woodward & Lothrop SEPTEMBER SALE of FURNITURE

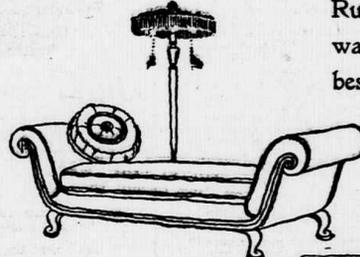

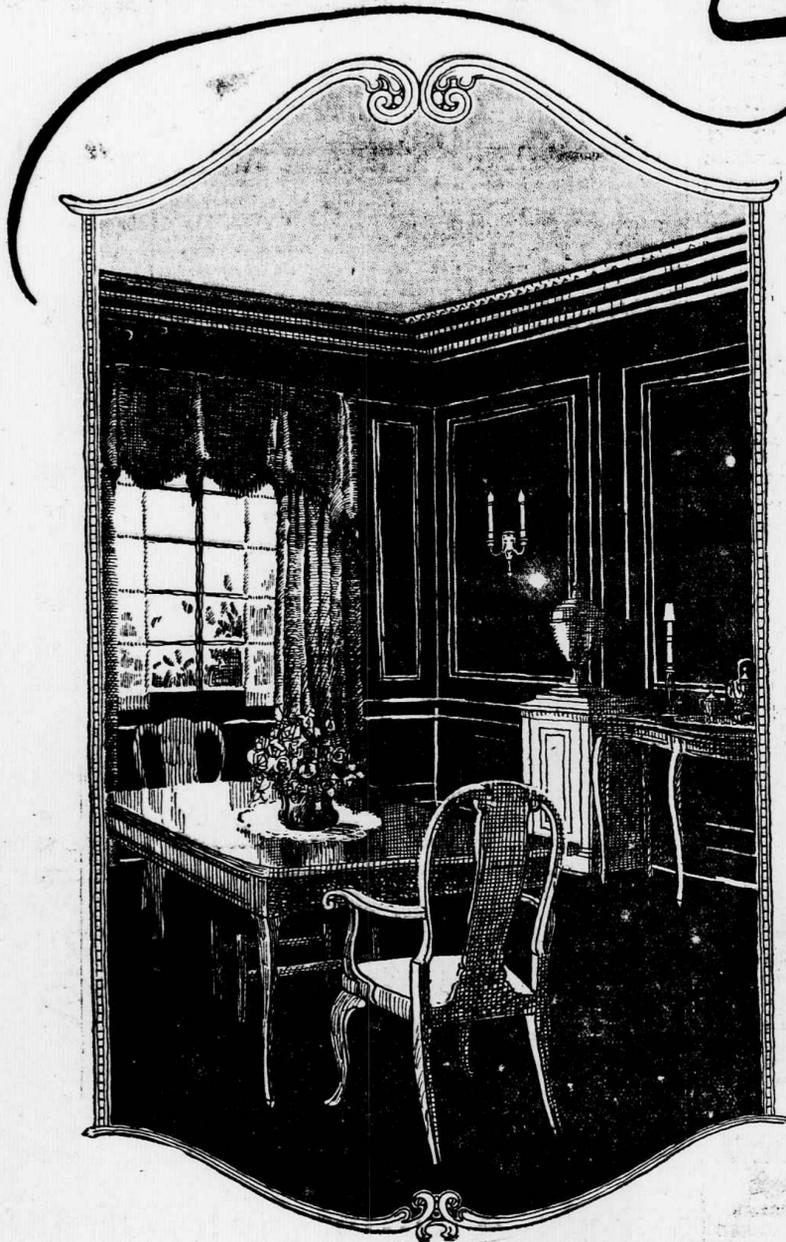

Begins Tomorrow Morning at 9:15

¶ The beautiful, high-grade, homelike Furniture is now in its place on the Sixth floor—at least as much of it as can be placed there. There is still a great deal more in our warehouse.

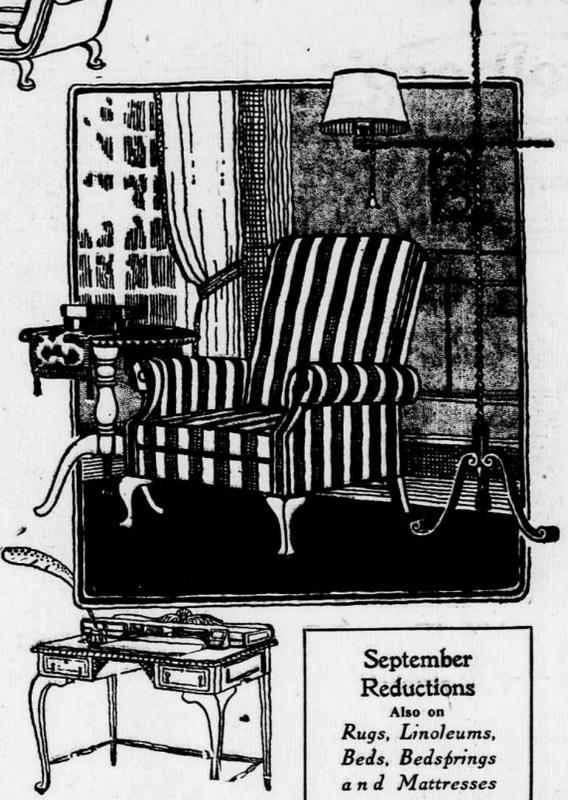

¶ All the Furniture in this sale is marked at reductions ranging from 10 to 30 per cent from regular prices. Every suite and every odd piece in the sale bears a September Sale tag in addition to the regular tag with the former price, so that you are told immediately the amount you can save.

¶ All that is most ingenious and advanced in fine cabinet work, all that is best in the designs of old-time master craftsmen, coupled with the improvements in design and workmanship which modern methods and devices afford.

¶ We can say for the entire collection that it is essentially the kind of Furniture, Rugs, Beds and Mattresses that people want for their homes. It fits in with the best tastes, it looks well and it will last.
