

McBride and Griffith Read the Riot Act to Nationals and Immediately Get Results

GHARRITY AND MILAN SWAT TEAM TO FRONT

BY DENMAN THOMPSON.

ST. LOUIS, May 20.—After having the riot act read to them by both manager McBride and President Griffith, the Nationals yesterday took a brace, and, although outbatted by the Browns, bunched their blows with such effectiveness as to offset a far from impressive hurling exhibition by Zachary and register a win by the count of 8 to 5. Griff and Mac both talked to the boys like Dutch uncles following the trimming they received Wednesday, when they appeared to quit after the enemy piled up seven runs in the first inning.

The boys took the lectures to heart and proceeded to punish a trio of St. Louis pitchers, starting with the veteran, Bernie Boland, who never enjoyed much success against the Washington team in all the years he was a member of the club.

Gharrity and Milan Clout. Gharrity was the chief factor on offense, one of his two safeties being a ponderous clout over the fence with a pair of mates on the bases, but Milan was not far behind in effective poking, driving in a pair of tallies over his own head.

Their work afield was not of the best. Milan, Rice, Lewis and Harris all exhibiting some sloppy stuff, but Stan alone was penalized and his bobbling did not figure in the scoring.

Inability to connect with Boland's wildness prevented the Nationals from scoring in the opener, and the Browns' manager, Judge Lee, took the opportunity to tally. Judge and Rice waded with Milan's wildness and they put on a double steal as Lewis fanned. Harris also was walked, filling the bases. Then Shanks rolled to Sisler.

Tobin, the first man to face Zachary, lined the center field ball and fired it to Harris, who turned and whipped it to Judge. Tobin had just rounded second when the Browns' manager waived him in on certain death at the plate. Gerber then walked and was tagged stealing and O'Rourke chased into left for Sisler's fly.

Good Fielding Steps Browns. O'Rourke and Judge collaborated in smart style to choke off a Brown score in the second. After Williams had lined to Rice, Jacobson rapped a double against the right field bleachers. McManus popped to Harris and O'Rourke then went back of second to stab Lee's boulder. Judge took his wild throw with one hand while fully extended.

The Nationals were set down in order in the second. With Judge away in the third, Milan scratched a safety off McManus' glove and Rice again walked, but Lewis lofted foul and Harris rolled to left.

After two chances to retire the side had been neglected by the Nationals. St. Louis registered twice in the bag end of this frame. With one out, Boland walked. Tobin's rap to Judge resulted in a run, the ball being forced at second, but O'Rourke's throw to complete a dual killing of the force out on the second.

Little assistance from alien defenders was needed by the Nationals in the sixth, when they sunk Boland and peppered Bill Payne. His left-handed successor, to the extent of the second run, Lewis chased to second on his walk and Harris sacrificed, and counted on Shanks' double to right center. Hank took third when Lee fumbled on O'Rourke, and scored with Mickey and Gharrity on Pat's tremendous wallop, which sailed over the top of the left field bleachers.

The pass to Zachary was the signal for the yanking of Boland. Judge welcomed Payne with a stinging double to right. Then Jezabel and Josephus tallied on Milan's crash to center. Clyde was forced by Rice, who died stealing.

A double play rescued Zachary from a ticklish situation in the domestic end of this session. Sisler forced Gerber, who had walked. Williams caught Shanks napping with a bunt, which he beat out, and the bases were loaded when O'Rourke barely failed to reach Jacobson's Texas leaguer. McManus then crashed to Shanks, who used third to force Williams, and erased McManus with a throw which Judge dug out of the dust.

Zach Fanned in Seventh. Zach was combed for a salvo of extra base hits which enabled the Browns to count three times and pull

up to within two runs of the Nationals in the seventh. Wetzel, battling for Lee, lined to Rice for a start. Severeid rammed to the bleachers in right center. Sam again missing on his first grab at the ball. Bill Higgs, battling for Payne, whiffed, but Severeid scored on Tobin's long, high fly to left, which Lewis staggered around under and finally reached only with his finger tips, it being registered as a triple. He tallied on Gerber's single to left, and the latter counted when Sisler, shot a safety to right which netted him three bases when the ball hopped over Milan's shoulder and rolled to the Harris then tossed out Williams.

O'Rourke died on the line after reaching second in the eighth on his single and Gharrity's sacrifice, when he was trapped on Zachary's tap to Burwell and Judge popped a foul to Sisler. McManus got no farther than first after Harris' fumble gave him a life.

The Griff's picked up another tally in the ninth when Milan got two bases on a rap which struck second base and was deflected into right. A walk to Rice, his third of the game, and Lewis' double to left. Sam remained anchored on third and Duffy on second while Harris, Shanks and O'Rourke died serially. The Browns failed to tally in their final turn at bat. Sisler skying to Milan after Gerber singled with two out.

Lunte Goes to Sacramento. CLEVELAND, Ohio, May 20.—Harry Lunte of St. Louis, utility infielder of the Cleveland club, has been released to the Sacramento club of the Pacific Coast League. His transfer completes the transaction which brought Pitcher Walter Mills to the Indians.

GRIFFS EVEN ON JAUNT

Have Annexed Half of Ten Games. Johnson Is Slated to Pitch This Afternoon.

ST. LOUIS, May 20.—It is probable Johnson will be sent against the Browns in the third tilt of the set this afternoon in an effort to get better than an even break for the road trip, which now stands five games won and as many lost. Morigrue is due to hurl in the final here tomorrow.

O'Rourke had a busy afternoon of it. He handled eleven chances without a slip, and two of them, stabs of balls hit over second base, were sparklers.

Rumor has it that Allan Sotheron, for many years one of the star fingers of the Browns, has about reached the end of his rope and may shortly be shunted to the minors.

Griff turned a deaf ear to a proposition advanced by Business Manager Quinn of St. Louis for a swap of Jim Shaw for the moist ball finger.

President Griffith has been tipped off to a third baseman with an Indian-like name who has been attracting considerable attention with an industrial team in the vicinity of Chicago, and will leave tonight for the Windy city with Joe Eble to see this phenom in action with his team, which plays only on Saturdays and Sundays.

Griff says if the youngster looks one-quarter as good as he has been touted he will sign him.

Although still weak from the effects of fasting attendant upon a battle with ptomaine poisoning, George McBride was in uniform directing the team and whooping it up on the lines.

Milan was back at his post in right field. Zeb should be playing. He is still limping from the charley horse which kept him idle for a week, and he is extra bit of excited on account of the injury. He has his eye on the ball, however.

Express and Shops indulged in a swatfest in the Terminal R. R. Y. M. C. A. League, with the former emerging victor, 16 to 10. The winners made sixteen hits and the losers twenty.

Signal Corps crossed the wires on Director of Sales in the War League and won 9 to 4. O'Keefe of the losers nicked Heilquist for a circuit drive.

Company B ran roughshod over Company D in the National Training School League, winning 17 to 0. Olsen held the D boys to a lone single.

Carroll Electric recorded their second straight victory in the Commercial League when they drubbed the Western Union team, 10 to 2. Lease, with a homer, and Working, with three singles in four trials, led the winners' attack.

Zone 6 got an early start in the Navy Yard League game and vanquished Zone 4, 12 to 5. The winning nine chased in seven runs in the second inning.

Peppo ran wild in the Merchants League, beating Woodward & Lottrop, 12 to 1. Abouzein pitched good ball for the winners. People's Drug Store will play Steward's College today.

PFEIL ROUGH ON SAILORS

Allows Naval Hospital But Three Hits and War Wins Ten-Inning Government League Game.

Emil Pfeil did some excellent pitching for War Department in yesterday's Departmental League engagement. He went through ten innings against the Naval Hospital team, holding it to three hits and winning his game, 1 to 0. Pfeil fanned nine batters and passed one. Wilson toed the slab for nine innings for the Sailors for medicine, granting six hits. Hart assumed the mound burden in the tenth and lost the decision when he permitted two safeties and uncorred a wild pitch.

Navy Auditors were easy for Annex League matra. The winners made nineteen safeties, including a homer by Yates.

Knights of Pythias made all of their day's count to beat the Moose, 7 to 2, in the Fraternal League. Deck, Pythian first sacker, made a triple and two singles in four times at bat.

Navy jumped on Biggins and Bonar for nineteen healthy clouts and thrashed Commerce, 16 to 3, in the Government League. All but one of the Navy's players got two or more safeties.

URGES AID FOR HURLERS

National Will Let Them Use Resin on Fingertips if American Approves.

NEW YORK, May 20.—Club owners of the National League, meeting here, favored a regulation permitting the pitcher to apply a touch of resin to the tips of his fingers to insure a better grip on the ball and improve his control. If this recommendation meets with American League approval, it was stated, the umpires would be charged with its supervision and be charged with small bag of resin near the pitcher's box before each game.

The difference of opinion between the major leagues as to the proper construction of the player-limit rule, especially the number who can be placed with minor league clubs with the right of recall, will be referred to Commissioner Landis for adjustment.

A proposal to reduce team batting practice before games from thirty to twenty minutes was referred to clubs for a mail vote.

Babe Ruth Struck Out By White Sox Recruit

CHICAGO, May 20.—Another of the recruit pitchers secured by Manager Gleason of the White Sox to fill the gaps caused by the world series base ball scandal passed his first severe test yesterday with flying colors. After two other recruits had been driven from the mound by New York American slugger, Jacob Lamm Davenport of Tucson, Ariz., went in in the fifth inning and struck out Babe Ruth, the second baseman up, with a mighty swing at the third strike, a fast ball inside, and missed by a foot.

CUBS' VICTORY IS JOLT TO NEW YORK DREAMERS

BY JOHN B. FOSTER

NEW YORK, May 20.—Chastened by the paw that fed them, because the Cubs got even on the Giants yesterday for the game that they gave to them the day before, the winning streak of New York was severed before it became a menace. Visions were dreamed by the imaginative Giant fans of another of those famous successive victory runs for the Manhattan athletes like some made in the past which have helped to carry them to victory.

It was a big winning for Chicago to get initiated in so many in the south. In behalf of Pittsburgh, because the Pirates ripped through the poor Brooklyn again and gained a full game on the Giants.

Pittsburgh and Chicago reported that the Boston Braves gave them as good a battle as they had all the year.

Many an odd coincidence in base ball lends to its variety, but a real oddity developed yesterday. St. Louis, in the National, played Philadelphia eleven innings and won, 3 to 2. Cleveland, in the American, played Philadelphia eleven innings and won, 4 to 0. That left the standing of the two Philadelphia clubs identical. Each has won eight games and lost nineteen.

The Cincinnati Reds appear likely to fade to an indistinguishable pink.
