

NEWS OF THE CLUBS

A lawn party at the home of Mr. and Mrs. Frank Carlin, Artcurus, Va., just below Mount Vernon, on the Potomac, was the highlight of the celebration of the first anniversary of the founding of the National Pen League and International Literary Association last week.

Tables brought out to the river's edge were laden with appetizers for an outdoor banquet, and Mrs. Katherine J. Fenton, president of the organization, was in charge of the celebration as mistress of ceremonies.

Canoing was one of the diversions. Discussion of world conditions and what the association would do to assist in finding solutions kept most of the company in a group listening to able and informing speakers, of whom Gen. Count Arthur F. Chretien Spiridovitch of Russia and Mr. Sebastiao Sampaio of the Brazilian Embassy were the chief. It was announced that branches of the league started abroad and in different parts of this country are flourishing. Mr. Sampaio, who went with former Secretary Colby's party on the tour to South America, reported great headway in the southern continent. Senator Ransdell, chairman of the council of the association, has recently introduced a bill in the Senate to introduce the organization's president to assist authors by making manuscripts second class in order to reduce the cost of mailing. Mr. Frederick C. Hicks of New York introduced the bill in the House. The promoters of the league are anxious to have the United States unique in rating manuscripts as first-class mail matter. Authors have been greatly handicapped in sending out their work in this country, the postage on which costs more than if sent from Europe.

The party that has just started abroad to attend the convention in Stockholm, has accepted the commission to introduce the organization where he goes and is provided with literature and authority to appoint organizers, who will begin work on the 15th of October. During the evening devoted to various languages will be reviewed and classes in story writing and comparison of literature will be opened. But meantime having received the invitations to hold their own lawn fetes, such festivities will take place through the two months. Mr. and Mrs. Thomas Smyth of the Wallis of Edenwood, Va., will entertain on one of these occasions. Mr. and Mrs. Harry Hunt of Falls Church on another and Mrs. A. K. Tracy, Franklin Park, Va., on a third. Lieut. and Mrs. Labat also will entertain the society on the 15th of October.

Announcement was made at the last meeting of the Amite Club, held on Thursday evening, that the committee rooms of the Knights of the Woodmen Hall, that the next meeting of the club will be held in St. Peter's Hall, 310 E street southeast on Friday evening, August 12, at 8 o'clock sharp. Following the meeting the club will hold an informal reception and dance.

The Saturday night social, given last week in honor of the club, at Clifton, the National Catholic Service School, Miss Maud Kavanagh, hostess, was most successful. Those members of the club who were present are as follows: President, Francis A. McManis; recording secretary, Thomas Myers; financial secretary and treasurer, Margaret Ganey; vice president, Margaret Costello; Adolph J. Fugitt; Hattie McBride, Florence Fugitt, Victor V. Dickson, Leonilda Volkman, Joseph J. Sullivan, Albert Riley, Ruth Gallaher, Virginia Garner, Nora Saur, Wilbur Sartwell, Sterling Ansley, Thomas Myers, Thomas A. O'Brien, Nora Gardner, Gertrude Taylor, Norman J. Volkman, Charles M. Connor, Agnes Driscoll, Marion Dickson, Louis Nix, William A. Burns, Helen Sullivan, Ruth Dickson, Frank Mischoon, Raymond McDonald, May Dickson, George Sartwell, Eleanor Dickson, Frank J. McKeever, Frank L. Beck, Michael J. Sweeney, Dorothy Neelme, Katherine Myers, Catharine, Catharine Harrington, Elsie Hayden, Maris Sullivan and Miss Garner.

The Women's Club, will give a moonlight dance Tuesday, August 16, 9 to 12 p. m. Cards may be obtained at the club. Refreshments will be served in the garden. There will be first-class music and plenty of punch.

This will be the only entertainment at the club in August and it is hoped every one in the city will help to make it a success. Dancing will be limited to fifty couples, so it is suggested that those wishing to be "among the present" obtain their cards early, either by application to the executive secretary or some member of the entertainment committee.

Members or guests of the club desiring to take lessons in bridge or any kind of card playing may meet at the clubhouse Tuesday at 8 p. m. No charge is made.

Mrs. Ellen Spencer Munsey Tent, No. 1, Daughters of Veterans, U. S. A., was elected president of the organization when three candidates were initiated. Under good of the order, Col. Oldred spoke of his recent visit to England and conditions in and about the famous battlefield. E. A. Lang of the Sons of Veterans, U. S. A., led the meeting in singing. At the national convention at Indianapolis the executive committee gave a surprise birthday in honor of Col. Oldred on July 30 at the presentation of a token of the esteem in which he is held by the members of Veterans, a musical program was rendered and refreshments were served.
