GIRL SWALLOWS POISON.
Mrs. Gertrude M. Thomas, twenty-four years old, 731 6th street, was taken to Emergency Hospital yesterday and treated for poisoning. She swallowed one ounce of the fluid, the police reported.

It was said at the hospital today that the patient admitted taking the poison with suicidal intent, but refused to tell why she took it. It was a mild solution she took, it was said, and her life was not endangered.

BOY SCOUTS OF D. C. HOLD CENSUS MARK
More Organized Troops in Washington Than Any Other City of Size.

According to an announcement just issued from national headquarters in New York, there is a larger enrollment of Boy Scouts and more organized troops in Washington than in any other city of its size in the United States.

Of the twenty-two largest cities in the country Washington is only exceeded by San Francisco in the number of Boy Scouts in proportion to the population. There are now 2,670 scouts organized in 123 troops in the capital city. There are but three cities in the country which have a greater number of troops—New York, Chicago, and Philadelphia.

The cost of conducting scout work in Washington has been but \$14.37 per scout, as compared with an average of \$11.74 per capita throughout the United States.

Prepare Camping Site.
Under direction of L. C. Drake, assistant scout executive of the Washington Boy Scouts, several troops of Boy Scouts have been camping this week at the Woodrow Wilson Boy Scout reservation at Buzzards Bay, Md., and preparing a new camping site.

Contest Closes May 1.
The Boy Scouts throughout the District are working to be listed among the winners of the advancement contest, which closes May 1.

Troop 1, of which Lester G. Wilson is leader, has been so far outdistanced all others, that it will be impossible to overtake them, so that they have been declared the winner of the Washington Post trophy.

Isaac Gans has informed Boy Scout headquarters that he has made the medals in the nine divisions which has made the greatest advancement in scout work during the past seven months.

Assist Forestry Department.
Chief Forester W. E. Greely has requested that the 2,700 scouts of Washington to assist the forestry department in this direction by "extinguishing forest fires" that they may be called upon to do by every appropriate means in the molding public conscience that the inviting beauty of our parks and woodlands should be no longer marred and destroyed by fires.

Annual Scout Field Day.
The biggest day in the scouts' calendar is the annual scout field day, which will be held at the Woodrow Wilson Boy Scout reservation at Buzzards Bay on Saturday, May 20. The following events will be held: Compass contest, first aid, fire lighting by fire drill, fire fighting by flint and steel, semaphore signaling, international Morse signaling, chariot race, fire building and water boiling, relay race, obstacle course, and a Paul Revere race, obstacle race, tilting contest.

To the troop in each division making the highest number of points will be given a trophy plaque.

The multi-troop contest is engaging the attention of scouts, the medals will be awarded to the scout making the most points in the division and district teams.

All scouts are invited to the free children's concert at Central High School this afternoon, at which Sally Hamlin of New York, the famous children's entertainer, will give a musical program of especial interest to children.

Troop Notes.
Troop 100 hiked with their new trek car to Harpers Ferry this past week and report a most enjoyable trip. Scoutmaster John Talley, who has directed this troop for the past two years, has been compelled by work to resign the scoutmastership.

Troop 53 installed Parker Bowe as its new scoutmaster last evening. The troop is planning the erection of a cabin for overnight hikes at Cedar Hills.

Troop 40, Thomas A. King, scoutmaster, has been holding an efficiency contest, which is stimulated much interest in the troop. The standing of the scouts leading in the contest follows: Henry Barlow, 256 points; Charles Bishop, 245; and John Boyd, 282.

Troop 4, J. B. Cuno, scoutmaster, has just been presented with the United States flag by the D. A. R. An address on scouting by Dr. George J. Fisher, deputy chief scout executive, will be sent out by radio from Pittsburgh on April 23, at 8 p. m., on 350-meter wave length.

LOCAL ARMY MAN HONORED BY NAVY HEAD

Lieut. George L. Townsend, United States Signal Corps, shown receiving Navy Cross from Secretary Denby April 14.

Secretary Denby recently presented the navy cross to Lieut. George L. Townsend, United States Signal Corps, son of T. Lincoln Townsend of Takoma Park, for acts of distinguished service in the line of his profession while attached to the 5th Regiment of Marines, 2d Division, in France during the world war.

Lieut. Townsend was regimental signal officer. According to the record, "this officer was in charge of the signal detail attached to the 1st and 2d Battalions, 5th Marines, when these units were ordered to make the crossing of the Meuse river between Louilly and Mouzon, France, on the night of November 10 and 11, 1918.

"Under terrific bombardment and annihilating machine gun fire, he personally supervised the laying of the telephone wires from Beaumont to the first bridge put across the Meuse, his detachment suffering heavily from casualties, he took up the actual work of laying the wires himself, and when the first bridge was knocked out by enemy artillery, ran the wires to the second bridge and took them over with the first troops to make the crossing."

During this operation, records show, he was exposed to the extremely violent fire of the enemy, but with absolute no regard for his own personal safety, pushed ahead with the attacking troops and accomplished his mission.

Awarded Croix de Guerre.
Lieut. Townsend was awarded the Croix de Guerre of France by Gen. Petain at headquarters, February 11, 1919, with the approval of the commanding general and chief of the American expeditionary forces in France, the marshal of France, commander-in-chief of the French armies of the east cities.

Upon that occasion Lieut. Townsend, from October 3 to 7, 1918, in front of Saint Etienne, a "brave" constantly maintained the lines of communication and patrol under the most difficult circumstances, with the greatest disregard of danger."
