A Week-Long Vacation Sale of Fine Hosiery

Thousands of Pairs for Women and Children, at Extraordinarily Low Prices

AS a fitting wind-up to the month of June, we announce, starting tomorrow, a week-long sale of good quality Hosiery, a magnificent offering which includes seven price groups, which we have secured from several manufacturers at big price concessions—as we saved, you save, too.

WOMEN with a keen eye for economy will buy hosiery enough to keep the supply intact throughout the entire summer season, as well as anticipate their future requirements. With prices so low and qualities so high it would be the height of folly to overlook the saving opportunities.

Women's Full-Fashioned Thread Silk Stockings

Irregulars of \$2.00 Grade—Priced for This Sale

\$1.25 Pair

WE MUST explain this "irregular" idea, or you would not understand just what we mean, for the faults are so slight that only a very careful examination will reveal them. After examining dozens of pairs we found no fault that would impair service or appearance. We have no hesitancy in saying that this lot represents the BEST hosiery value we have seen for many years at \$1.25.
