A New Showing of Fall Models, \$35 to \$75

The newest and best materials being used, displaying unusual charm and individuality. The exclusiveness and strictly smart styles featured in these particular models is far beyond duplication.

EACH and every garment having its own chic touches, either conventional bead or hand-embroidered designs, unique braiding, various pleatings and a number of other attractive finishings. Neck, cut on the newest patterns, sleeves that add grace. Girdles wide and narrow, made either of beaded, metallic or self material.

Skirts are a much more attractive length, being draped and with panels both side, back and front, pleated or plain and very much longer than skirt length.

These will be found in sizes for both women and misses.

Materials: Twill Cord, Tricotine and Point Twill, Crepe-back Satin, Romaine Crepe, Satin-back Canton, Heavy Canton and Georgette.

Colors, navy, black and brown. Featured in this collection are street, afternoon, dinner and evening frocks.
