

**GEN. SALE MAINTAINS  
FOR VA. GOVERNOR**

Has Said Nothing of Candidacy, But Probably Will Take Nomination, Is Said.

Special Dispatch to The Star.

RICHMOND, Va., August 11.—

Quietly but actively the friends of Gen. William W. Sale have been at work for some weeks in his behalf in connection with the nomination for governor to succeed Gov. Trimble. The movement has been known to Gen. Sale a few weeks ago, but he declined to give encouragement to the campaign on, and that the people must wait a long time before they could be called on to render their choice for the office. As a matter of fact, Gen. Sale would not refuse the nomination were it to be tendered him, but that other gentlemen have been mentioned for the race, and one of them—a close friend of Gen. Sale—already in the field forces him to consider the matter from all angles.

It is reasonable to believe that Gen. Sale and other possibilities will be careful in the matter of making an announcement, for the reason that there is no disposition to have a third man come in at the last moment and win a nomination, and a minority vote in the election. The candidates want to guard against any such outcome, and it is believed that they will be careful to have a desire to get the best possible and most available man to make the nomination. It is believed that there will be a concentration on one man to stand for the nomination.

On the other hand, however, if there shall be a multiplicity of candidates it may be that the bars will be thrown down and that the race will be fast and furious. It is contended by friends of Gen. Sale that he has more elements of strength than any other who have been mentioned. He has served for years in the senate, and has been a member of the general assembly. He is a lawyer and a farmer. His record as adjutant general is one of the best in the history of the state, and should be a great asset to the contest he would have to perfect an organization.

Gen. Sale was asked regarding the matter, and he said he was not the subject in a sort of election, but he felt that he might do something to help his friends in the contest. He was much gratified at the way his friends had approached him and rendered their support.

**ARLINGTON COUNTY.**

CLARENDON, Va., August 11 (Special).—Now that the democratic primaries are over and the party's candidates have been selected, the attention of the voters of Arlington county is focused on the coming fall election. The democratic ticket will be selected by the republicans to oppose the democratic nominees—Jesse J. Ball and William H. Ball.

This question will be settled next week. The Arlington county republicans will meet on Monday evening at 7:30 o'clock a mass meeting will be held at the court house for the purpose of electing delegates to the Arlington senatorial convention, which meets Wednesday, and also the nomination of a candidate for house of delegates as well as candidates for local offices.

**Candidate for House.**  
Thomas D. Hallie, an avowed republican, has announced himself as a candidate for the county's seat in the house of delegates. But whether or not he will be endorsed by the party at the meeting Monday evening could not be determined at this time.

All county officers, with the exception of that of clerk of court, this time are elected for one year. The contest for the clerk of court is already in progress, and the prospects are that numerous others will be heard from before the campaign is many days older.

**Charges Denied.**  
Mrs. R. N. Sutton, a member of the Arlington county board of health, has investigated charges that Wilbur Dodson, nine-year-old son of Mr. and Mrs. Wallace Dodson, of East Falls Church, who is being held by county authorities as an incorrigible, has been improperly treated. He has been confined to a cell at Arlington county jail and has issued the following statement:

"The boy has been at the jail, but has never been locked in a cell. He has been allowed almost unlimited freedom except when he displayed signs of unmanageable disposition, a condition for which he is hardly responsible because of his disordered brain, and then he would be cased in a room in the jail."

Mrs. Sutton states that although the boy has a brain of three, and a child, it is a condition that she believes can be corrected under good treatment and tender care.

The boy, she states, is being held awaiting the arrival of a representative of the Children's Home Society of Richmond, who will come to take him back to this state welfare institution.

**Odd Fellows Ball Game.**  
The Odd Fellows of Arlington county are conducting a baseball game at American League park next Saturday afternoon with a team representing Arlington Lodge and another selected from the various suburban lodges of Washington as opponents.

The grounds for the game were secured through the efforts of Capt. "Tim" Jordan, assistant business manager of the Washington base ball club and a prominent member of Arlington Lodge. The gate receipts will be divided equally between Arlington and Washington lodges, the latter's share to be applied to the fund being raised for the erection of a new temple in Clarendon. Music will be furnished by the Odd Fellows' Band and an Army or Marine band.

The job of selecting Arlington's ball tossers has been put up to Dai Boien and Arthur Welch, well known in ship and a team that will be hard for Washington to beat is expected to be placed in the field.

The degree team of Arlington Lodge, 135, I. O. F., of which A. C. Welch is captain, has accepted an invitation to confer the first degree on a large class of candidates of Beacon Lodge at the next meeting of the latter lodge at Odd Fellows Temple, Washington.

**Moose Day Plans.**  
Plans are completed for a Moose day in which all lodges of the Loyal Order of Moose of the district in northern Virginia, Southern Maryland and Greater Washington Lodge of Washington, will unite for a twelve-hour picnic and entertainment Saturday, September 1 at Arlington Heights. The picnic will be held on the grounds at 11 o'clock in the morning and continue until 11 o'clock in the evening, will include many interesting and amusing events.

James J. Davis, secretary of Labor and general director of the Loyal Order of Moose of the World, will deliver a brief address of welcome, and at night a free motion picture show including pictures of Mooseshoot, will be shown on a screen built upon a float in the Potomac river.

**SILESIA.**

SILESIA, Md., August 11 (Special).—Owing to the continued hot weather and the varied activities on the farms, the Broad Creek Citizens' Association, at its meeting held at the Silesia School, combined the business of the months of July and August, in addition to the discussion of important school and road matters, the aims of the newly formed Citizens' League of Prince Georges County were outlined to the members present.

**Night Funeral  
Held Because  
Of Hot Weather**

Special Dispatch to The Star.

WINCHESTER, Va., August 11.—Because of the recent hot wave in northern Virginia, the funeral of W. C. Christmas, a prominent citizen, was held at 11 o'clock at night, and the interment took place between 4 and 5 o'clock the following morning, only relatives and most intimate friends being present. Mass funerals were held here after sundown to prevent prostration.

**McLEAN.**

McLEAN, Va., August 11 (Special).—The annual picnic of the McLean Saturday was a greater success financially than ever before, both in spite of the rain. Preparations had been made for a record-breaking crowd, but due to the weather, the picnic was held in the morning. The picnic was held in the morning, and the picnic was held in the morning. **YOUNG WIFE TAKES  
LIFE BY SHOOTING**

Brooding Over Alleged Cruelties on Part of Husband Believed Cause.

Special Dispatch to The Star.

CULPEPER, August 11.—Mrs. Lottie C. Dowell, aged twenty-four years, committed suicide by shooting at the home of her parents, Mr. and Mrs. John A. Sproule, in Albemarle county. A week before the fatal shooting Mrs. Dowell, who had been married for three years and had a year-old child, had been forced to return to the home of her parents on account of alleged cruelties on the part of her husband. It is thought that brooding over her troubles was the cause of the tragedy.

At a splendidly attended meeting of the Culpeper Confederate Veterans, held here this week, A. J. Armstrong and W. P. Hill were elected delegates to the grand camp, which will meet in Roanoke on September 11 to 13, inclusive, and plans also were made to provide transportation for other veterans in the county who wish to attend this state conference.
