

"Then you'll have a real choir."

"But how about the bassos?"

"Oh, I'll sing bass."

Types of African negresses of the Sara-Kaba tribe, who indulge in hideous artificial deformities. It is said by Dr. Karl Kumm, an African explorer, now in Los Angeles, that the custom of distorting the lips of the women arose

because the men wanted to make them unattractive to the Mohammedan slave traders, so they would not be stolen.

Here's a tip for a waiter: Don't tip it off to me that you're trying for a tip!

This is the time of year when people come to me to borrow my lawnmower. This is also the time of year when they don't get it.

The bicyclist who races head down on the sidewalk generally doesn't see me until I rock his head back with an uppercut.

I do not believe in visiting the sins of the father on the child, but in the absence of the father of the street car strap the street car company that substitutes them for seats is entitled to a spanking.

The noisy party in the room next to mine in a hotel always gets an early call.

This thing of poking me in the ribs while telling me a funny story doesn't help much. In fact, it interrupts the narrator so he isn't able to finish.

When a person comes to me and says, "Say, here's something you want!" I don't want it.

A sidewalk baseball game is no respecter of pedestrians; and when I am a pedestrian I am no respecter of sidewalk baseball games.
