

## POOR PRINCE IS HAVING A TOUGH TIME

Here is a picture of Prince Pignatelli d'Aragon.

Over in Europe the prince is "some pumpkins." He is a second cousin, or some such relative, to the king of Spain. He hobnobs with royalty and is "much sought after" by our very best American heiresses.

But over here in these United States things are different—for

the prince. Here they shut him up in Ellis Island as soon as he landed. Two charges were filed against him—one that he had tried to commit suicide and the other that he had run a gambling den in his room in Paris. The French government asked that he be held.

Pignatelli, who, it is said, was once engaged to Mary Duke,
