

**MRS. PANKHURST COMING TO U. S. TO INVEIGH
AGAINST SOCIAL SECRETS NOW HIDDEN**

This is the Portrait of Herself Which Mrs. Pankhurst Likes Best.

By William Shepherd.

London, Oct. 17.—Stop burning houses and attack that which is contained within houses—the home circle, the top-sided home circle, in which the man is supreme.

This is the new doctrine which Mrs. Emmeline Pankhurst has instituted in England.

It is a doctrine which she will preach in America when she tours the United States shortly.
