

STEPS IN NEW DANCES—THE "CUDDLE DIP"

Margaret Hawkesworth - Basil Durant

A few freakish fancies of futurism will flourish on the dance floors this fall.

There is Furiano; ta 'tatao; the lu lu fado; the cuddle dip.

These fancy fantasies will undoubtedly be danced. Naught can

prevent. But the censorship is in operation. We may not describe them in *The Day Book*. The dancing masters have forbidden! If you would learn them, you must receive instruction from a friendly adept, in the halls and corridors off the ballroom.

Dancing then will be like the oper-
