—o—o—o— SEEK PEACE IN MEXICO

Washington, Jan. 21.—New peace parleys are in prospect in Mexico. Villista agents today had before them word from Provisional President Garza proposing a truce, with the neutralization of Mexico City pending outcome of further peace negotiations.

Garza's proposition is now up to his predecessor, Gutierrez, and today it was expected, it would be suggested to Carranza.

Villista agents denied that Villa intends to establish a northern republic. On the contrary they suggested that he will soon conquer all factions and pacify the entire republic,
