

loved each other. This child is coming to us, and all through the ages to come our love must live in his children and his children's children.

Although I had known the wonderful news but a short hour, already I was planning the whole life of the child who was coming to us.

I was impatient for Dick to come and yet I dreaded his coming. I heard him come up the stairs. He opened

the door—one glance at his face as he came quickly forward and gathered me in his arms told me I had no need of telling.

Dick knew.

(To Be Continued Tomorrow)

Now Henry Ford is giving law breakers a chance to "come back" by giving them jobs in good paying positions.

GUESS IF THEY ARE MARRIED
