

OUTBURSTS OF EVERETT TRUE

LET ME OUT! LET ME OUT!!
I RECOGNIZE SOME FACES IN THE AUDIENCE!
I CAN'T DOPE IT OUT HOW SOME PEOPLE,
THAT LAUGH AT CRIPPLES ON THE STREET
AND LIE AND CHEAT AND THROW IT INTO
THEIR NEIGHBORS, CAN SQUAT IN A THEA-
TER AND BLUBBER OVER THE TROUBLES
OF A PAINTED UP LEADING LADY!
IT GIVES ME A FEVER!

There are 2,446 known species of ants, yet people keep right on arranging picnics.

A San Angelo, Tex., man found three cockle burrs in his stomach. He probably was the victim of a stickup.
