

n. y.—the mayor of n. y. is going to call off work for everry body some day purty soon and have a great sele-brashion & maybe they will invite the president and a few gunvors to help with the fireworks.

plans and specificcaahuns are being made to carve a hand made medal out of gold & preshus stones to give to the grate discoverer sinse cris columbus stuck his hoof into american mud and started the begin-ning of the end for all buffalos and redskins.

this grate discovering feller says that his discovery will revolutionize the hole writing bizness and stop 98 per cent of all cussing done by siv-illized peeepeel

he has made fountain pens work. and you dont have to cuss or shake the ink all over the carpet and then use a lead pensil

he says with his new discovery you can make a fountain pen work as well as a ford

all you got to do—this is the dis-covery so keep your ears peeled—all you got to do the grate discoverer says is to keep a bottel of ink handy and dip the fountain pen in that evry 2½ seconds depending more or less on how big a gob of ink you get on it as each dip

#### WELL BEGUN

"I've taken the most important step toward building a fashionable apartment house."

"Let the contract, have you?"

"No. I've selected a fancy name for the building."—Judge.

#### TY COBB

Ty Cobb maybeso gleast Melcan. Missa Cobb, him getee more vote than Plesident Wilson.

Missa Cobb makes more runabout than Heniy Ford.

Him hit ball and then runnee lkell. Maybeso battee somebody on nose —allasamnee say him gleast man!

Upon reaching an impassible stretch in the Yellowstone park, the driver of the coach turned to his pas-sengers and said:

"From this point the road is only accesable to mules and donkeys. I must therefore ask the gentlemen to get out and proceed on foot."

#### WELL?

"Say, I saw something without any legs running all over the rocks just now."

"What?"

"Water."
