

BASEBALL—SPORTS OF ALL SORTS—BOXING

Jimmy Clabby easily defeated Frank Farmer in ten rounds at Oshkosh, Wis., landing the greater number of blows and having more steam behind his efforts. Farmer won the first and eighth rounds. Clabby appeared to be taking it easy, merely exerting himself enough to keep a few points ahead of his opponent.

Matters have been quiet in the middleweight division lately and will probably remain so until fall. Then Soldier Bartfield will make another effort to get Mike Gibbons into the ring for a twenty-round affair. Clabby also has designs on Mike over the long distance. It will do no good for any of them to fight the St. Paul man an abbreviated battle.

Like Freddie Welsh, he is a master of the short game and can show up any of the present crop. Gibbons has never engaged in a battle scheduled for more than a dozen rounds. And a man cannot be stamped a real champion on that record.

It was too hot in St. Paul, Minn., for Tom Gibbons, brother of Mike, to extend himself, but he managed to outpoint Billy Miskie. Tommy, at his present rate of progress, will soon be the equal of his more famous brother. In the same show Mike O'Dowd gave Willie Schaefer of Chicago a lacing.

Johnny Dundee is growing more ambitious. He has matched with Jack Britton for ten rounds in New York July 29.

Charlie White has been made favorite for his battle tonight in Boston with Milburn Saylor, the Indianapolis lightweight. Saylor is better than any man White has met recently but Champion Welsh.

Jack Dillon whipped Johnny Howard in a fierce battle at New York. Howard rallied after being floored several times and sent Dillon down in the eighth.

When Nemo Liebold was purchased by the White Sox and put in center field to head the batting order his coming was hailed as a great stroke to increase the offensive ability of the South Side aggregation. Little was said about his fielding.

But it is defensively that the mid-get has more than earned his salary in this Washington series which closed yesterday. On three distinct occasions he saved a ball game by marvelous running catches of seemingly impossible fly balls. Time after time he has brought the fans to their feet by his fleetness and sureness in grabbing the pill.
