

SLUGGER QUESTION IS UP TO COUNCIL AGAIN TONIGHT

Police committee will again present its resolution in council tonight demanding that garment makers cease employing sluggers and private police.

Council passed this resolution 10 to 1 last Monday, but it was declared illegal on a technicality. Police committee says there will be no change in the resolution, but no technicality loophole tonight.

TWO AMERICAN SHIPS SEIZED BY BRITISH

Washington, Nov. 1.—The American steamer Llana was seized by a British prize crew and afterward run aground off the coast of Scotland yesterday, according to a report today to the state department by the American consul at Dundee, Scotland.

No reasons for the seizure of the vessel were given.

The seizure of another American vessel, the Hocking, by a British warship was also reported today to the state department. American Consul Young of Halifax wired that the Hocking was brought into Halifax yesterday in command of a British prize crew, after having been halted by British warships patrolling the American coast off New York.

SAYS POLICE DEPT IS BEING MADE POLITICAL BODY

Current Events class of the First Congregational church of Evanston heard Mayor Thompson's administration assailed by Wm. Hale, president of the Civil Service Reform ass'n, yesterday. Hale declared that politics controlled the jobs and told how the police department was being converted into a political organization.

Earliest artillery guns were made from wrought iron bars, bound together like staves of a cask by the shrinkage over them of iron hoops.

PUMPKIN PIE!

By Jim Manee.

We appreciate a party when
Ol' Hallowe'en comes 'round.
The autumn party spirit's right
When leaves are on the ground.
We love to gaze on pumpkins,
With bright eyes and fatted cheeks.
For Hallowe'ny parties bring
Fine pumpkin pies for weeks.

P. S.—Then do Fourth of July parties bring crackers? Yes! Huh uh!

TWO SLEUTHS MADE A RIGHT QUICK MURDER CLEAN UP

Policemen Ottinger and Dalley both "work out" of the Hudson av. station. They are of the type of men Chief Schuettler calls "natural born detectives," but he can't put them into plain clothes until they pass a clerical examination which more fits them for a position as bank clerk than a detective sergeant. Both men passed one of these examinations, but they are way down on the eligible list.

Yesterday they cleaned up a murder in two hours which was pulled off on Oct. 13. Mrs. Elizabeth Wandke was found slain in her three-room flat at 236 W. Schiller. The two patrolmen got on the job, investigated and arrested Harry Unkrey, 69, an epileptic living at 1507 Sedgwick. Later Unkrey confessed.

Yes, it's better to have "loved and lost than never to have loved at all." (Better for the taxi driver, the florist and the candy maker.)
