

## UNCLE SAM'S NEW "BIGGEST" WARSHIP FAILS TO ESTABLISH HIGH SPEED RECORD

The new dreadnaught Oklahoma, biggest of Uncle Sam's battleships, tearing through the seas trying to establish a new speed record for dreadnaughts. She attained a high speed of 21.47 knots, but only averaged 20.90 against the 21.04 knots average speed record set by the Nevada.

1,169 MILES AROUND TO GO 60 MILES ACROSS

From Bluff, Utah, to Kayenta, Arizona, is 60 miles; but here's how Uncle Sam takes his mail, by horse, stage coach, automobile and railroad train. The contractor on the Gallup-St. Michaels route is even talking of buying an aeroplane to carry mail across a mountain ridge.
