KATHERINE VANCE HARRISON GETS FIVE-YEAR SENTENCE

Ft. Worth, Tex., June 29.—A verdict of guilty was returned yesterday against Katherine Vance Harrison, child wife of Chas. Harrison, son of Jas. Harrison, and nephew of U. S. Sen. Culbertson, for the murder of W. L. Warren, local hotel man, and a sentence of five years in prison imposed.

The verdict came as a sweeping surprise, for the sentiment had been that the trial was merely a form and the girl would be set free at its close.

Katherine Vance Harrison, accompanied by her boy husband, invited Warren for an automobile ride last January and some hours later his body was found lying by the side of a road some miles from here. The case remained a mystery for several weeks, then the girl confessed that she had killed Warren because he had lured her to his hotel and then mistreated her.

Hearing on motion for a new trial by the defense has been set for Saturday morning.

IN A NICE, SARCASTIC WAY HE WILL TELL T. R. TO GO TO

Bridgeport, Conn., June 29.—John Flood, delegate from Fairfield county to the Progressive national convention in Chicago, soon will ship a large box to Theodore Roosevelt at Oyster Bay, Long Island. It will contain five badannas, emblems of the Bull Moose party; seven Roosevelt photographs, a dozen Roosevelt campaign banners, a large collection of Roosevelt buttons and badges, personal letters from the colonel to John and a short but expressive letter from John to the colonel.

The letter, in effect, will say that Mr. Flood is "cured." Once a rabid Roosevelt follower, Mr. Flood is mad clear through at the way in which he and about 900 other delegates were "jollied along for a week and then dumped."

The letter will request that the contents of the box be used for a bonfire to drive away the mosquitos at Oyster Bay.

"I'm for Wilson," said Flood to a reporter today, "and so are hundreds of delegates who sat in the Progressive convention and saw the leader whom we followed faithfully, almost fanatically, step forth and try to dump us."
