TIME FOR PARENTS TO PROTECT SCHOOLS

And Save Teachers and Children From a Raid of Ward
Heelers on the Public School System—The In-
efficiency and Incompetency Is in the School
Board—Two Women Members Admit
They Voted as Loeb Wished.

BY N. D. COCHRAN

Teachers who are not members of the Federation ought to be able to understand by this time that there is danger in the Loeb rule for every teacher in the public schools.

They ought to know that every fight made by the Federation to preserve the independence of the teachers, to get them decent salaries and to keep them free from slavery to political bosses was a fight for ALL
