

us remaining whites if we expect to stay on the map and avoid white slavery to black slavery?

I made a racket for beaches and playgrounds and it looks as though children will be better cared for than ever. A little review will convince

my most prejudiced enemies that things are coming my way. Judging by pictures I see of European women wheeling coal, etc., they are working a darn sight harder than my "seven wives" would have had to work.—Allen Steven.

## GEE! WEREN'T YOU GLAD WHEN

Golf may be a highbrow game, but we'll bet a golfer can go a railroader one better when it comes to swearing.
