**Who Played This Dirty Trick
on the Public?**

NO. 8

By Jim Manee

This little pig went to Chicago.

From the farm, on the B. & O.

'Tis true he'd never have done it,

If he had been "in on the know."

For they led him around over gang-
ways,To the far southern part of town.
Then a man cut his neck, and at
present, by heck,

He is selling for two-bits a pound.

P. S. — And this little pig stayed
home and got shot.**CURRAN BODY EYES "INTOLER-
ANCE"**

Members of the Curran committee that investigated charity will sit in at the performance of "Intolerance" at the Colonial theater tonight. D. W. Griffith worked portions of "Intolerance" around the reports of the committee.
