

BANISHES GERMAN WHO MOCKS THE UNITED STATES

Ewald Mans.

Judge C. C. Daily of Marinette, Wis., has ordered Mans, a German, out of the city after serving five days in the workhouse on a charge of boasting of the power of Germany and ridiculing the United States. Mans has first citizenship papers. War arguments involved him many times in fights, his accusers say.

PLAN ANTI-WAR MEET

Call for an anti-war convention in St. Louis during the second week of April issued by the National Socialist headquarters yesterday. Contention of many Socialists is that people are to be urged into war by the metropolitan press, which in turn is spurred on by munition millionaires, anxious to make their enormously watered stock hold up by bolstering with home war orders.

John Dingler, saloonkeeper, Hammond, threw out patron last night. Then died behind bar. Heart disease.

RETREATING GERMANS LEAVE ONLY DESOLATION BEHIND

With French Armies Advancing From Roye, March 20.—116 square miles of territory, bled black and rent with wanton explosions has been prize wrenched from Germans by French in district from Chaumes to Oise. It is merely part of vast territory repatriated by French troops after hot pursuit of German retirement that for precipitate haste resembles retreat from the Marne.

Retreating Germans destroyed everything. Roads were dynamited, bridges burned, houses razed, towns destroyed, and where possible, fields were ruined for tilling.
