OF INDUSTRY—ONE
SET IS SINCERE**

**There's An Extra Reason for the Patriotism of the Other
Groups—They Want to Get Their Hands on the
Government—Case of Frederick J. Koster
of 'Frisco Is Interesting.**

BY N. D. COCHRAN

Washington, May 31.—I have referred to the seemingly patriotic manner in which some captains of industry have come to the front and offered to help Uncle Sam in any

way possible. But there are two sets of 'em. One set means it; the other doesn't. The men who don't mean it are the ones who want to take every opportunity the war offers to get their hands on the government.
