100 VOLUMES OF THE STANDARD DICTIONARY!

This rare work of nearly 2,400 pages, each volume weighing 1 1/4 pounds, beautifully bound in embossed leather, issued by Funk and Wagnalls of London and New York, is now on sale at the Deseret News office. One hundred volumes have just been received. This is the work in the compilation of which Dr. James E. Talmage was engaged as one of the 200 editors. Its thoroughness is well illustrated by its treatment of the single word "Quorum," as follows:

"Quorum." 1. Such a number of persons of any deliberative or corporate body as is necessary for the legal transaction of business; unless otherwise ordered, a majority. 2. (Eccl.) Certain designated justices of the peace commissioned as JUSTICES OF THE QUORUM, without the presence of some one of whom the others could not act. 3. Mor. Ch. A council or organized body of the priesthood, such as an Elders' quorum; the quorum of the First Presidency. 4. Necessary number of members, generally of "qu" (who), from the Latin words "quorum unum-A. B. esse volumus" (of whom we desire A. B. to be one) forming part of ancient commissions, as of justices.

This rare dictionary is offered at \$12 per copy. A limited number can be had for Church use, and our schools and colleges are asked to correspond with us at once should they desire a copy.

PREST. YOUNG'S BIRTHDAY.

Preparations for Celebrating the Ninety-Ninth Anniversary in Progress.

Preparations are in progress for the celebration of the 99th anniversary of the late President Brigham Young, yesterday President Kerr, of the Brigham Young college, Logan, stated incidentally to General Manager B. Morris, that he intended to take steps toward having the students of that institution attend the celebration in a body.

Bishop H. B. Clawson and Wm. C. Spence, Esq., formed a committee on transportation in connection with the forthcoming event. The following communication shows decidedly satisfactory progress in the matter of reduced railroad rates:

Oregon Short Line Railroad Company, Portland, Ore., May 1st, 1900. Mr. H. B. Clawson, Salt Lake City, Utah. Mr. W. C. Spence, Salt Lake City, Utah.

"Transportation committee, Brigham Young University, Provo, Utah, Gentlemen:—In reply to your joint letter of the 1st instant in relation to the celebration of the 99th anniversary of the birth of President Brigham Young, which will take place in this city on June 1st:

We have pleasure in advising that for this occasion we will be pleased to authorize a rate of one regular fare for the round trip from all stations in Utah, with the following dates of sale and conditions:

From Ogden, Santaquin and intermediate stations, June 1st. From Tintic points, May 31st and June 1st. From all other stations in Utah, May 31st. To be limited to date of sale on going trip, with final return limit June 2nd. I trust this arrangement is entirely satisfactory. Yours truly, (Signed) D. E. BIRLEY, G. P. & T. A., O. S. L. R. R. MYSTERIOUSLY ISAPPEARS

L. W. Van Norstrand of Iowa Leaves Salt Lake—Is Heard of No More.

L. W. Van Norstrand, a wealthy citizen of Fairfield, Iowa, has mysteriously disappeared and some apprehension is felt over the matter. Mr. Van Norstrand spent several days in this city, Utah, with the recent of a ranch in Wyoming. While here Mr. Van Norstrand spent most of his time with Edward Kerick, a young friend, and when he left he said he was going to Buffalo, Wyoming, to purchase a ranch. He could find one which suited his fancy. He also told young Kerick that he would write him where to forward his mail which was coming to Salt Lake in Kerick's care. But since he left he has not been received. It is not known whether or not he ever reached Buffalo, and it is feared that he has lost his life in some way. A letter from the missing man's father, which was received at the residence of the boy's whereabouts, Mr. Kerick answered the letter stating that nothing had been heard from the lost man since he left Salt Lake.

Thorough search for the young man will be kept up. A few days after he left Salt Lake northern Wyoming was swept by a blizzard and it is feared that Van Norstrand perished in it.

The Union Pacific land department reports a big sale of land during the month of April in Colorado and Wyoming. BETTER THAN THE KNIFE.

Pyramid Pile Cure Cures Piles Quickly Painlessly, With out Daa ger.

People go along for years, suffering with piles. They try this and that, and the other thing, carrying a bucket to getting treatment from a physician. They obtain temporary relief, maybe, but they are never quite cured. A little strain in lifting, excessive fatigue, a little constipation, a little diarrhoea, and the piles come back.

They don't seem to amount to much, but they banish sleep and appetite. No position is comfortable. There is intense local pain and that dreadful, agonizing feeling of weight in the perineum.

Maybe in the early stages some of the many salves on sale will afford temporary relief. If the case is of long standing there is only one speedy and sure remedy. It is Pyramid Pile Cure. Even in light cases it is the safest thing to use. Other applications may cure and may not. Pyramid Cure is always certain, always reliable, always bringing comfort at once. Its prompt use saves months of severe suffering. In extreme cases it will sever surgical operations and their attendant dangers and discomforts. It is better than the knife. Will cure easier, quicker and safer. Thousands have used it. Thousands have been cured by it. The cost is trifling compared with what it does. The price is one dollar. Most anybody can readily pay ten dollars to be rid of piles.

Druggists sell Pyramid Pile Cure. If you haven't it, he will get it for you from the Pyramid Drug Co., Marshall, Mich., sole manufacturers.
