BEWARE OF MEDICAL FAKERS.

The only test of a Doctor's skill is "CURED PATIENTS." When a Doctor or some "FAKE MEDICAL CON-CERN" tells you their treatment is "JUST AS GOOD AS DR. SHORES' TREATMENT" LOOK UP THE EVIDENCE. If they CURE sick people they are good Doctors, and will tell you WHOM THEY HAVE CURED, that you may talk face to face with them. DON'T TAKE ANY MAN'S WORD FOR HIS ABILITY TO CURE CATARRH AND CHRONIC DISEASES, but go and talk with the people whom they say they have cured. They will tell you the truth. If a Doctor cannot give BONA FIDE evidence of his skill among the people who live right here IN THE CITY—LOOK OUT FOR THAT DOCTOR. From the day Drs. Shores first opened their offices in Salt Lake City, nearly eight years ago, they have each week allowed CURED PATIENTS TO TESTIFY TO THE MERITS OF THE DR. SHORES' TREATMENT. If you are a sufferer—if you are sick and discouraged—if you are in doubt as to what Doctor can cure you—Drs. Shores tell you to GO AND TALK WITH THE PEOPLE WHOSE PICTURES ARE GIVEN IN THE PRESS EACH WEEK AND ASK THEM IF THEIR STATEMENTS ARE TRUE. Ask them if Drs. Shores' treatment has REALLY CURED THEM.

WONDERFUL RELIEF IN ONE MONTH.

A Typical Case of Catarrh Quickly Mastered by Drs. Shores.

Mr. J. H. Horr, is a young man well known in Utah. He has just returned from twenty-two months' labor in the missionary field. He says: "I have suffered very much from Catarrh for some time. It interfered with my speaking greatly, and my hearing became very dull. I would blow seeds two inches long out of my nose—hawked and spit a good deal, and found my sense of smell leaving me. I always had a cold and felt generally sick. I have been under Drs. Shores' treatment one month and have done wonderfully well. I improved from the first week, and today my symptoms are all gone. I have no more trouble and am feeling splendid. I think my cure is almost accomplished already, and I am pleased to add my indorsement of Drs. Shores' treatment."

A CHANCE FOR SCHOOL BOYS AND GIRLS...

THE reports of the census enumerators of this city are now in Washington. In a short time the figures will be announced. To stimulate interest among our school boys and school girls in the subject, the Deseret News has decided to offer ONE STANDARD DICTIONARY, value \$12.00, to the boy or girl who first guesses nearest the correct figures. The only conditions are that each guesser shall have been enrolled in some one of the schools, or colleges of Salt Lake, or at the Utah University during the year just past, and that each shall be limited to one guess. In case of a tie, the ownership of the dictionary shall be settled by lot. The guesses will be recorded daily, in the order in which they are received. The "News" has arranged to receive the figures by wire from the census office in Washington as soon as they are known, and the first guess received, coming nearest the correct figures will be awarded the prize. No guesses will be recorded except those regularly filed out on the guess coupon below.
