

OUR OWN STATE.

Contagious Blood Poison

There is no poison so highly contagious, so deceptive and so destructive. Don't be sure you are cured because all external signs of the disease have disappeared, and the doctor says you are well. Many persons have been dosed with mercury and potassium for months or years, and pronounced cured—to realize when too late that the disease was only covered up—

Liko Bogots Liko, driven from out again, and to their sorrow and mortification find those nearest and dearest to them have been infected by this loathsome disease, for no other poison is so surely transmitted from parent to child as this. Often a bad case of Rheumatism, Catarrh, Scrofula or severe skin disease, an old sore or ulcer developing in middle life, can be traced to blood poison contracted in early The Sin of the Parent.

Life, for it remains smoldering in the system forever, unless properly treated and driven out in the beginning. S. S. S. is the only antidote for this peculiar virus, the only remedy known that can overcome it and drive it out of the blood, and it does this so thoroughly and effectually that there is never a return of the disease to embarrass or humiliate you afterwards.

It cures Contagious Blood Poison in any and all stages, contains no mercury, and is purely vegetable and the only blood purifier known that cleanses the blood and at the same time builds up the general health.

Our little book on contagious blood poison is the most complete and instructive ever issued; it not only tells all about this disease, but also how to cure yourself at home. It is free and should be in the hands of everyone seeking a cure. Send for it.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

Brother Maeser, thereby depriving us of the companionship of a great and noble spirit, a father to the youth of Zion, and particularly to the Church schools, a spirit that will continue to shine as a beacon light to all men ages to come. Therefore be it

Resolved, that his old students, the faculty and students of the Snow academy, and his many friends express their gratitude to the Lord for the life and labors of this pioneer educator in the land of Zion. Be it further resolved that we express our condolence to the bereaved family, and that a copy of these resolutions be sent to the wife and children of Brother Maeser.

It has been raining here almost every day for a week. Spring seems to be here. The weather is warm; no frost at night.

MISSIONARY CALLS. Hyrum Madsen and Thorwald Hansen have received letters from Prest. Lorenzo Snow calling them upon missions, the former to Scandinavia and the latter to Germany. Elder Hansen is to leave March 20, and Elder Madsen leaves May 10.

Abel Nielsen and Andrew Thorpe are also called upon missions. Elder F. N. N. Christensen, P. C. Sorenson, of the forty-seventh quorum of Seventies, are called on missions to Scandinavia; will leave for their return April 17, 1901.

Brought Good Fortune. A small item in his own paper lately brought amazing good fortune to Editor Chris. Retter, of the Saginaw (Mich.) Post and Zeitung. He and his family had been sick for some time. Their doctor did them no good. He read that Dr. King's New Discovery for Consumption, Coughs and Colds was a guaranteed cure for La Grippe and all Throat and Lung troubles; and bought a bottle, and he and his family were cured. No other medicine on earth equals it. Only 50c and \$1.00 at Z. C. M. I. Drug Dept. Trial bottles free.

EUREKA. John Gianville Succumbs to an Attack of Erysipelas. Eureka, Feb. 21.—John Gianville, the son of William Gianville, died here this morning from erysipelas. The young man was but little past fifteen years of age and had a fever and chills. He had been sick for some time, and his death came as a severe blow to his friends. The funeral services will be conducted here next Saturday and the remains will be shipped to Salt Lake City for interment. The funeral cortege will leave the city at 1 p. m. Sunday next. Quite a few friends will attend from here.

Sad Bereavements—Victims of Pneumonia and Scarlet Fever. Eureka, Feb. 22.—John Hanley, an old miner of this place, passed away at his home here this afternoon. Hanley was about 45 years of age at the time of his death, and leaves a wife and three children to mourn his demise. He had worked in almost all the large mines of Tintic and about a year ago was working in the mines at Butte, Mont. He was while at work in Montana that his disease was a miner's consumption. The funeral services will be held here on Sunday. The remains will probably be held here Sunday.

The funeral services of the remains of John Snell were held here today at the undertaking rooms of James Eustice. Snell was a native of Finland, aged 28, and has resided here for about eleven years, being a miner by occupation. He was a single man, and the cause of his demise was pneumonia. Death again visited the home of Mr. and Mrs. Mike Styner today and took from them their infant child. Only last week their seven-year-old son John died from scarlet fever and the parents have the sympathy of their friends in their great loss.

BEAVER. Notes from Beaver Branch of B. Y. A.—Memorial Services. Beaver, Beaver Co., Feb. 20.—Prof. R. Maeser is in Salt Lake City this week, attending the funeral of his father, Dr. Maeser.

The school much regretted the fact that we were unable to join the Academy at Provo in attending the funeral. But that being impossible, all the students and residents of Beaver, gathered in the preparatory building at 10 a. m., Feb. 19, and held memorial services. Meeting opened by choir singing. Thou dost not weep to weep alone. Prayer was read by the Rev. Mr. Maeser. Who are these arrayed in white? by Prof. Durham, Chas. Whitaker, and the Misses Batty and Adams. Prayers by Prof. A. M. Durham, Quartet. Who had done for the youth of Zion. Brother J. F. Talton, of the Stake presidency, then addressed the meeting. He spoke of his experience as a student under Dr. Maeser, during which time he had developed a love for the study of the teacher and for the Gospel of Jesus Christ. He implored the young people to emulate the noble example set by the departed.

Prof. Durham sang "The Holy City." Principal Partridge read the short sketch of Dr. Maeser's life, as printed in the "News," and spoke on some of

the characteristic traits of the "grand old man." Choir sang, "Nearer Home." Closing prayer was offered by Brother N. H. Tanner.

Principal Partridge returned from Provo Thursday. The second academic hall of this semester was given Friday evening. All had a very enjoyable time. Next Friday evening the three act drama "The Girl from Klondike" will be played in the concert hall by a number of the students.

GLENWOOD.

Death of Mrs. Mary Ann Buchanan—Close of a Useful Career. Special Correspondence. Glenwood, Sevier Co., Feb. 19.—We have been called upon to mourn the loss of a dear and beautiful woman, Mary Ann Buchanan, who departed this life Feb. 15. She was taken sick three weeks before her death, with what seemed to be la grippe, but it developed into a more serious disease which terminated fatally. She was 58 years old. Her funeral was held at the Glenwood Relief society hall, where she had presided for nearly thirty years, and drew the sisters towards her by the power of love and devotion, and particularly to the church. Consoling remarks were made by President Clark, Bishop Bell, Elders Oldroyd, Kirkman and Sorenson and also by Lucy Heppler, in behalf of the sisters of the Relief society. The floral offerings were beautiful and profuse. She leaves a husband and six children, all grown, to mourn her departure, one of them, Henry Buchanan, is on a mission in the States.

We are having very pleasant weather after much snow and cold the ground is well soaked. The wife of William Buchanan gave birth to a girl on the 16th. A girl baby came the same day to bless the home of Miss Bell. We have had much sickness, but it is abating.

MONROE.

Disastrous Fire. Homer McCarty's Store Burned—Supposed Work of Incendiary. Special Correspondence. Monroe, Sevier Co., Feb. 22.—A disastrous fire occurred here at an early hour this morning. Homer McCarty's store burned to the ground, causing a loss of about \$4,000, only about one-half of which was covered by insurance. The fire was first seen by Mr. Thorne, representing the Hewlett Bros., who was staying at the Bertelson house, about 10 o'clock a. m. After arousing Mr. Bertelson, he got on a horse and awakened the neighborhood. He rushed into the store after breaking the door in, but was driven back by the smoke. The ground was soon covered by willow hands which were our only fire department, who fought the flames bravely, but as the building was of lumber, the fire could not be brought under control, and so the only thing to do was to try and save the adjoining buildings, which were the post office, also a frame structure and standing only about six feet from the doomed store. Everything was soon out of the postoffice and water was poured on the roof of the store, but the fire was almost despairing of, but through the brave fire-fighters a board was charred.

The origin of the fire is shrouded in mystery. It is generally believed, however, that it is the work of an incendiary, as there had been no fire in the stove since the morning of the previous day; besides the fire originated in the rear room, where no fire had been. The flames spread so rapidly that none of the goods could be saved, and everything is a total loss. The only thing saved is what was in the safe.

FARMINGTON.

Statistics of Davis Stake—Interesting Meetings Held. Special Correspondence. Farmington, Davis Co., Feb. 22.—Washington's birthday was observed in various ways in Davis county. A few of the public schools carried out appropriate exercises; but most of them closed their doors for the year ending Dec. 31, 1900, from which the following extracts are taken: Apostles; 1; Patriarchs; 17; High Priests; 204; Seventies; 362; Elders; 342; Priests; 150; Teachers; 110; Deacons; 316; members; 2,387; total officers and members, 4,893; children under eight years of age, 1,871; total souls in the Stake, 6,860.

The amount of tithing reported as having been paid in the year 1900, shows a marked increase of that paid in 1899. Apostle John W. Taylor was the principal speaker, and gave a very interesting and instructive discourse on the Priesthood, and the duties devolving upon those who hold it.

The monthly Stake officers' meeting of the N. M. M. L. A. was also held here today. The reports given show the associations to be making fairly good progress in their season's work. In some of the northern wards smaller meetings were held, but they interfered with meetings; but this malady seems to be subsiding and meetings are being resumed.

CASTLE DALE.

Memorial Services in Honor of Dr. Karl G. Maeser. Special Correspondence. Castle Dale, Emery Co., Feb. 20.—Memorial services were held in the Emery Stake academy in respect to Dr. Karl G. Maeser, deceased. The afternoon of Tuesday, February 19, all classes were adjourned and at 2 p. m. the faculty and students with many friends met in the assembly hall of the academy when the following program was rendered: The academy choir (forty-five voices) opened the meeting by singing the student anthem "Why Do We Rest." Prayers were offered by Bishop Overton. The following resolutions were presented and adopted, being formulated by a committee consisting of D. Foster Cluff, Amanda Alfred, John Oliphant, Elzina Peterson and Mrs. M. M. Overton. Whereas, Our Heavenly Father, in His infinite wisdom has seen fit to call from this sphere of action our beloved general superintendent, Dr. Karl G. Maeser, we feel in the death of Brother Maeser we lose a leader who, by his laboring assiduously and indefatigably, has endeared himself to us; and

Whereas, Brother Maeser was the father of our Church school system, education, and we deeply mourn his loss; therefore be it Resolved, that we, the faculty and students of the Emery Stake academy, do emulate the worthy example set us by Brother Maeser; and be it also Resolved, that we condescend with the

Glenwood, Sevier Co., Feb. 19.—We have been called upon to mourn the loss of a dear and beautiful woman, Mary Ann Buchanan, who departed this life Feb. 15. She was taken sick three weeks before her death, with what seemed to be la grippe, but it developed into a more serious disease which terminated fatally. She was 58 years old. Her funeral was held at the Glenwood Relief society hall, where she had presided for nearly thirty years, and drew the sisters towards her by the power of love and devotion, and particularly to the church. Consoling remarks were made by President Clark, Bishop Bell, Elders Oldroyd, Kirkman and Sorenson and also by Lucy Heppler, in behalf of the sisters of the Relief society. The floral offerings were beautiful and profuse. She leaves a husband and six children, all grown, to mourn her departure, one of them, Henry Buchanan, is on a mission in the States.

We are having very pleasant weather after much snow and cold the ground is well soaked. The wife of William Buchanan gave birth to a girl on the 16th. A girl baby came the same day to bless the home of Miss Bell. We have had much sickness, but it is abating.

MONROE.

Disastrous Fire. Homer McCarty's Store Burned—Supposed Work of Incendiary. Special Correspondence. Monroe, Sevier Co., Feb. 22.—A disastrous fire occurred here at an early hour this morning. Homer McCarty's store burned to the ground, causing a loss of about \$4,000, only about one-half of which was covered by insurance. The fire was first seen by Mr. Thorne, representing the Hewlett Bros., who was staying at the Bertelson house, about 10 o'clock a. m. After arousing Mr. Bertelson, he got on a horse and awakened the neighborhood. He rushed into the store after breaking the door in, but was driven back by the smoke. The ground was soon covered by willow hands which were our only fire department, who fought the flames bravely, but as the building was of lumber, the fire could not be brought under control, and so the only thing to do was to try and save the adjoining buildings, which were the post office, also a frame structure and standing only about six feet from the doomed store. Everything was soon out of the postoffice and water was poured on the roof of the store, but the fire was almost despairing of, but through the brave fire-fighters a board was charred.

The origin of the fire is shrouded in mystery. It is generally believed, however, that it is the work of an incendiary, as there had been no fire in the stove since the morning of the previous day; besides the fire originated in the rear room, where no fire had been. The flames spread so rapidly that none of the goods could be saved, and everything is a total loss. The only thing saved is what was in the safe.

FARMINGTON.

Statistics of Davis Stake—Interesting Meetings Held. Special Correspondence. Farmington, Davis Co., Feb. 22.—Washington's birthday was observed in various ways in Davis county. A few of the public schools carried out appropriate exercises; but most of them closed their doors for the year ending Dec. 31, 1900, from which the following extracts are taken: Apostles; 1; Patriarchs; 17; High Priests; 204; Seventies; 362; Elders; 342; Priests; 150; Teachers; 110; Deacons; 316; members; 2,387; total officers and members, 4,893; children under eight years of age, 1,871; total souls in the Stake, 6,860.

The amount of tithing reported as having been paid in the year 1900, shows a marked increase of that paid in 1899. Apostle John W. Taylor was the principal speaker, and gave a very interesting and
