PREST. SNOW INTERESTED. Elaborate Preparations Being Made to Give the Distinguished Guests a Good Time—Testimonial Concert.

The Chicago Commercial club, which leaves the Windy City for California on March 4th, has a membership of sixty. The membership never exceeds that number. No member is less than a millionaire and some are many times that.

Several of them were seen by Mr. George T. Odell while he was in Chicago recently. One or two of them stated to Mr. Odell, in response to his question as to the personal and the motives of the club, that "the Chicago Commercial club does not own a club house, and the members are not in an ordinary sense, club men."

A telegram was sent last night to the club in which President Snow tendered these gentlemen a train for a visit to Salt Lake beach. The club arrives in Salt Lake at 7 a. m. on March 24, and leaves at 6 p. m. on the same day for the Rio Grande.

SOCIAL AND PERSONAL. One of the most successful and enjoyable entertainments ever given in the Eighteenth ward school house was the old fashioned ball given last night under the auspices of the Mutual Improvement associations of the ward.

DISCARDED. The Old Methods of Treating Piles and Rectal Diseases Supplanted by the Pyramid Pile Cure.

The old method of treating piles by ligature, by the knife or by the cruel methods of dilatation, besides causing intense pain and frequently collapse and death, are now known to be but mere makeshifts as far as a cure is concerned.

The liver is responsible for nearly every case of piles and the mistake has been made of treating piles as a purely local disease. Such is not the case, however, and the success of the new treatment known as the Pyramid Pile Cure has demonstrated it.

The relief from pain is so immediate that patients scarcely imagine that the Pyramid contains opiates or cocaine because the relief is so instantaneous, but the Pyramid Pile Cure is guaranteed absolutely free from any opiate or mineral poison whatever.

Sixth South. An excellent program was enjoyed, one of the principal features of the evening being the rendering of fine selections by the club quartet. At 10 o'clock a dainty luncheon was spread; the table being artistically arranged with ribbons and violets in the club colors, white and purple.

Next Wednesday Miss Mella Stevens and Mr. Lee Ray Decker are to be married, the event to be solemnized in the Salt Lake Temple.

Old Indian Fighters Go Over Scenes of the Past. A Happy Reunion at the Thirteenth Ward Meeting House—Old Legends Become Lively Again.

For the first time since their rifle bullets were hurtling after Redskins the Indian war veterans of Salt Lake county met in a social capacity at the Thirteenth ward meeting house last night. While there was no one there who "shouldered his crutch to show how fields were won," there was many an interesting reminiscence told, of the old days, when the men, though rough, were brave and chivalrous.

One of the picturesque figures that mingled with the veterans last night was Joshua Terry, 75 years old, and as straight as a rush. His stories were among the most interesting told last night. He described the Indian character, and spoke of his son, who succeeded Washakie as chief of the Shoshones.

The band called for as much attention as any other feature. It was composed of H. C. Pender, the leader, known as "Big," who began in Nauvoo in 1849; S. W. Alley, who started his musical career in 1849; John W. Anderson, who has only been playing forty years, and James V. Standing, who has been playing since the early days.

The concert that was given in the Sixteenth ward last night, being the second of the series, was largely attended and proved to be enjoyable to everyone present, as was manifest in the liberal applause that was accorded each number. The proceeds will go towards purchasing a new organ and electrical fixtures for the meeting house.
